

Psalm: Open the Doors to Heaven

By Dianna Cudworth

There is an open heaven over us.

Look and see all the saints up there.

So let us gather all together

From the ends of the earth to the farthest parts of heaven

To worship the Lord our God.

Let us join all together to sing His praises

Both here on the earth and in heaven too!

For we are the chosen ones.

Yes, we are the door between heaven and earth.

We are the door to Jacob's ladder.

So let us lift our voices high and praise the Lord

And open up the doors and let the angels in.

Let us praise our God with all our hearts

And God will send His angels.

On the four winds of heaven they will come.

They will go into all the earth to tell about His Son.

So let us lift our voices high and praise the Lord,

And open up the door and let the angels in.

For His angels are His ministering spirits,

And we are His flames of fire.

When we ask the Father, the angels will descend.

They come by way of Jacob's ladder.

They go into all the earth to tell about His Son.

There is an open heaven over us.
Look and see all the saints up there.
So let us gather all together
From the ends of the earth to the farthest parts of heaven
To worship the Lord our God.
Let us join all together to sing His praises
Both here on the earth and in heaven too!
For we are the chosen ones.
Yes, we are the door between heaven and earth.
We are the door to Jacob's ladder.
So let us lift our voices high and praise the Lord
And open up the doors and let the angels in.

He made us in His image.
He crowned us with His glory.
He crowned us with His honor.
He made us to have dominion over all His works.
He took us as His children
And He raised us up with Christ.
Yes, He raised us up higher than our enemies all around.
He raised us up to sit with Him and be with Him.
For we are the sons of God.
Yes, we are the sons of God Almighty!

There is an open heaven over us.

Look and see all the saints up there.

So let us gather all together

From the ends of the earth to the farthest parts of heaven

To worship the Lord our God.

Let us join all together to sing His praises

Both here on the earth and in heaven too!

For we are the chosen ones.

Yes, we are the door between heaven and earth.

We are the door to Jacob's ladder.

So let us lift our voices high and praise the Lord

And open up the doors and let the angels in.

Let us offer our joy to the Lord our God.

Let us bring our praise into His house!

From the rising of the sun to its going down, let us give Him thanks

For we are born of God. We have His spirit, and we have His name.

He gives us the keys to the Kingdom of God.

In His name, we have authority.

Standing in faith we have His power.

In Christ we have the victory! In Christ we have liberty.

So let us join together and give God thanks and open up the gates of heaven!

For we are the sons of God.

Yes, we are the sons of God Almighty!

There is an open heaven over us.
Look and see all the saints up there.
So let us gather all together
From the ends of the earth to the farthest parts of heaven
To worship the Lord our God.
Let us join all together to sing His praises
Both here on the earth and in heaven too!
For we are the chosen ones.
Yes, we are the door between heaven and earth.
We are the door to Jacob's ladder.
So let us lift our voices high and praise the Lord
And open up the doors and let the angels in.

At our command the angels come.
At our command the demons scatter.
At our command the devil flees.
For He sends His angels to fight for us.
We are born of majesty.
We are the head and not the tail.
Satan may be a prince but we are a king.
And we have dominion over him.
We sit in Christ at the right hand of God.
Abiding in Christ we rule with Him.
For we are the sons of God.
Yes, we are the sons of God Almighty!

There is an open heaven over us.

Look and see all the saints up there.

So let us gather all together

From the ends of the earth to the farthest parts of heaven

To worship the Lord our God.

Let us join all together to sing His praises

Both here on the earth and in heaven too!

For we are the chosen ones.

Yes, we are the door between heaven and earth.

We are the door to Jacob's ladder.

So let us lift our voices high and praise the Lord

And open up the doors and let the angels in.

For we are the sons of God.

Yes, we are the sons of God.

We are the sons of God Almighty!
