

Selma Flea Market

RULES AND REGULATIONS

Thank you for your interest in the Selma Flea Market. The following is the procedure to obtain a day space. *If you rent a space for one (1) Sunday, and you come back the next Sunday, it will be a different space. Only by having a permanent reservation will you have the same space. To reserve you must have been a day vendor for approximately 6 months prior to reserving and only if there is a space available for what you sell.

1. For a day space, show up at between 5:00-5:30AM, go into the parking lot for customers and park. (No parking in handicap parking even if you have a placard, it's for customers only, not vendors.) Then, come to the office and sign your name and list all that you will sell. You must bring your seller's permit with you at the time of selling. You cannot sell without a Board of Equalization Seller's Permit, even if it's the first time. If you don't have one, we will give you info on how to obtain one. It costs you nothing.
2. Or, call. Susana Mora, our General Manager on Tuesdays at 7:00AM to find out if a space is available. We place you by what you sell. A 20'x20' space costs \$18.00. Corners cost \$25.00, small spaces cost \$10.00 (no car). You must park in your space, or pay \$2.00 parking in the parking lot unless a small space. If you want to prepay a space over the phone, you must pay with Visa or Mastercard, and pay an additional \$1.00, or come into the office and pay just \$18.00. It's on a "first come, first serve" basis.
3. After a probationary period, you may sign up to reserve a space. You must have your Seller's Permit with our street address listed above, and put your name on our waiting list. The reservation fee is \$25.00 once per month plus \$18.00 per Sunday.
4. For the convenience of vendors we do have change in the office after 9:30AM. Please do not send children under the age of 12 years because we will not serve them (it is a safety issue for the child.) Also, to avoid problems with your customers, if you do not guarantee your products, return or exchange merchandise, please post a sign that says, "No refunds or exchange." To the contrary, you can be liable for a civil action.

If you need more information, please call during the week. You deserve our full attention, and that is when we have more time.
