

The Aesop 60 Hour Childcare English Tutoring certification program

The 60 hour childcare English tutoring Certificate Program Mission: To provide instruction on the basic teaching skills, methods, and intercultural competence necessary for teaching English successfully in a home setting, thus preparing teachers for the unique challenges of educating young learners even with a language barrier.

The 60 hour childcare English tutoring Certificate Program is perfect for practical and hands-on knowledge of English language learning, teaching, and cross-cultural awareness.

The program is structured to provide an overview of the field of TESOL, teaching methodologies, how to assess students, and practical applications to teaching grammar, reading, writing, listening and speaking. Teaching of culture in the EFL contexts and advice of how to adapt to a host culture will also be covered. As a course specifically geared to home tutoring, we will emphasize student behavior management, engagement of students, grading language and giving instruction, student motivation, error correction and methods for making English study fun and productive.

The 60 hour childcare English tutoring Certificate Program students will graduate with a portfolio of teaching materials, resources, and lesson plans to take with them wherever they go in the world.

Aesop is known as the place "Where the world comes to learn English". This naturally makes Aesop a great place "Where the world comes to teach English" as well!
