

# Recruit an Artist

And receive a \$100 credit on your Harvest Festival Account

---

Harvest Festival Original Art & Craft Show strives to offer quality events and grow attendance. We are committed to producing shows that continually offer NEW items to our shoppers. We encourage you to help us reach our objectives by recruiting fellow exhibitors to exhibit at the Harvest Festival. Your personal endorsement is by far the most effective recruitment tool for us. TOGETHER, we will continue to make Harvest Festival the best art & craft shows in the West.

## HOW DOES THE PROGRAM WORK?

It's easy! Just call us with the name, company, and contact information of the exhibitor you are recruiting. If the artist applies and exhibits with us, you will receive \$100 on your account for the following year.

New exhibitors will receive a \$100 discount for their first show. The discount certificate and application can be downloaded at [www.harvestfestival.com](http://www.harvestfestival.com). Also, don't forget to tell your recruit to include your name on their application.

Your referrals are appreciated and we look forward to your calls.

Sincerely,  
The Harvest Festival Staff
