STUDENT POLICIES & CODE OF CONDUCT

The St. Louis Med Tech Code of Student Responsibility and its policies exist to facilitate the educational process for you and the other students and to ensure a safe, fair, and successful experience for all students, staff, and faculty.

St. Louis Med Tech Code of Student Responsibility reads as follows: I understand that I am required to comply with policies and procedures of the school, and rules introduced during the orientation. I know that my behavior must respect the values and norms of the school while promoting the safety and wellbeing of other students and my school's faculty and staff. I will strive to ensure that my behavior supports the educational environment at all times.

EXPECTATIONS OF STUDENT CONDUCT:

Any student who engages in inappropriate conduct will be in violation of this Code of Student Responsibility and will be subject to a conduct review and possible termination.

While it is impossible to outline all forms of inappropriate conduct, what follows is a non-exclusive list of the more common examples:

1. Criminal or Violent Behavior or Violations of any policies or regulations – all published policies and posted notices
2. Violation of safety practices – action or inaction that might cause or lead to injury or death to oneself or any other person; threat or cause of harm; self-endangerment. Any activity expressly prohibited by the school or the terms of the school's insurance policy
3. Any conduct which threatens the school's ability to function or maintain positive relations, including but not limited to, inappropriate behavior or defamatory statements in blogs, social media, or other public media.
4. Failure to comply with reasonable directions from staff (or designees)
5. Theft – attempted or actual theft or possession of items belonging to another or unauthorized use of other's property.
6. Unauthorized entry – inappropriate use of keys or facilities.
7. Inappropriate use of school technology including but not limited to computers or wireless internet, and including but not limited to actions such as illegal downloading of copyrighted material, computer piracy, or using technology to threaten or cause harm.
8. Damage – causing damage to school property or the property of any vendor partners, any person, or the public domain.
9. Possession or use of any weapon, fireworks, incendiary device or explosive device.
10. Disorderly conduct – obstruction or distraction of the educational process, lewd or indecent behavior, breach of peace, physical abuse or threat, intimidation or coercion, etc. Also includes retaliation against any individual who reports any violations of the Code of Student Responsibility or any individual who participates in any investigation of such reports.
11. Stalking or Hazing – Behavior that is disturbing or distressing to others including but not limited to stalking or hazing. Stalking is defined as willful and unsolicited following or harassing of another individual through any means. Hazing is defined as any act which endangers the mental or physical health or safety of another person for the purpose affiliation with a group. Stalking or hazing can include actions in person, via social media, or through other electronic means.
12. Bias-related behavior or personal abuse – use of language, images, signs, symbols, threats, or physical behavior that directly or indirectly demonstrates hostility or contempt toward a person or group on the basis of actual or perceived identity. Behavior that exceeds the bounds of appropriate discourse and civil conduct. Harassment of another because of his/her race, sexual orientation, ethnic background, religion, expression of opinion, or other personal characteristics. Actions that would reasonably tend to cause alarm, anger, fear, or resentment in others, or that would endanger the health, safety, and welfare of another.

The School Director has full power and authority to prescribe rules and regulations to govern student life and to take emergency measures to protect the health and safety of students and/or school employees:

The following section describes sanctions available in response to violations of any Code of Conduct that applies to students. The listing is not inclusive of all options which the school may choose to exercise:

1. Reprimand: A written or verbal communication which gives official notice to the Student that any subsequent offense against a Code of Conduct may carry heavier penalties because of this prior infraction.
2. General Probation: An individual may be placed on General Probation when involved in a minor disciplinary offense; General Probation has two (2) important implications: the individual is given a chance to show capability and willingness to observe the Student Code of Conduct without further penalty, and, if the individual errs again, further action will be taken. This probation will be in effect for no more than one (1) term.
3. Restitution: Students may be responsible for paying for damaging, misusing, destroying, or losing property belonging to the Institution, Institution personnel, visitors, or Students.
4. Suspension: Exclusion from all Institution privileges and activities for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than probation, or for repeated misconduct. Students who receive this sanction must request and get specific written permission from the School Director before returning.
5. Termination: Dismissing a Student for an indefinite period of time.

STATEMENT OF ACADEMIC INTEGRITY

St. Louis MED TECH recognizes that the core value of academic integrity is essential to all activities of an academic community and provides the cornerstone for teaching and learning. It is characterized by upholding the foundational principles of honesty, equity, mutual responsibility, respect, and personal integrity. Advancing the principles of academic integrity is essential because doing so enhances academic discourse, the quality of academic work, institutional operations, and the assessment of educational goals.

Student Services do not include in-house counseling or campus housing, although, information on referrals for both are available at the front desk. Individual Tutoring is available upon request.

WITHDRAWAL AND SETTLEMENT POLICY

St. Louis Med Tech Withdrawal and Settlement Policy applies to all terminations for any reason, by either party, including student decision, program or course cancellation and school closure.

Any monies due applicant or student shall be refunded within 45 days of official cancellation or withdrawal: Official cancellation or withdrawal shall occur on the earlier of the dates that

1. An applicant is not accepted by the school. This applicant shall be entitled to a refund of all monies paid
2. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, within three business days, (excluding Saturdays, Sundays, and holidays) of the signing of the enrollment agreement. In this case all monies collected by the school shall be refunded. Withdrawal notice is to be sent to the attn: School Director.

4. A student notifies the School Director, in writing of his/her withdrawal.
5. A student on an approved leave of absence notifies the school that he or she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the school in writing that the student will not be returning (as indicated by date of postmark): or
6. A student is expelled by the school.
7. In type 2, 3, 4, or 5 official cancellations or withdrawals, the cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person.
8. Any monies due a student who unofficially withdraws from school shall be refunded within 45 days of a determination by the school that the student has withdrawn without notifying the school. To determine unofficial withdrawals, the school will monitor each student's completion of class participation in learning activities (such as class assignments, examinations, tutorials, computer-assisted instruction, and participation in academic advisement or other academically-related activities). School will calculate attendance per scheduled hours from school start date to determine amount of student refund.
9. Mitigating circumstances may warrant a refund to the student that may exceed the minimum refund guidelines. A determination will be made by the School Director.

PROGRAM CANCELLATION POLICY

If the program is canceled subsequent to a student's enrollment, and before instruction in the program has begun, the school shall at its option:

1. Provide a full refund of all monies paid; or
2. Provide completion of the program

TERMINATION BY INSTITUTION

St. Louis Med Tech retains the right to terminate a student should it be discovered that a student is cheating on any tests, or if the student is stealing products, supplies, or monies from the school. A student will also be terminated if the student physically assaults another student or staff member.

NOTICE OF THE POLICIES

The enrollment agreement outlines the obligations of both the school and the student, and provides details of the cancellation and settlement policy of the school. A copy of the enrollment agreement and withdrawal and settlement policy is furnished to the applicant before payment is made. No enrollment agreement is binding until it has been accepted in writing by an appropriate official at the school. The school's cancellation and settlement policy is printed in the school catalog.

REFUND POLICY

The school's refund/collection procedures follow ethical business practices. The school's withdrawal and settlement policy is acknowledged in all refund/collection correspondence regarding cancellation and settlement form the school itself, banks, collection agencies, lawyers, or any third parties representing the institution.

NOTICE OF NONDISCRIMINATION

St. Louis Med Tech is committed to a policy of nondiscrimination involving equal access to education and employment opportunity to all regardless of sex, race, age, color, ethnic origin, gender, nationality, disability, sexual orientation, religion, handicap or veteran status. St. Louis Med Tech is a place where freedom of expression and civility are encouraged.

The administration further extends its commitment to fulfilling and implementing the federal, state and local laws and regulations as specified in Title IX and Section 504 of the Rehabilitation Act and the American with Disabilities Act. For assistance in these areas, contact the Executive Director, St. Louis Med Tech, 59 Grasso Plaza, St Louis MO 63123, 314-723-MED1, or director, Office of Civil Rights, HHS, Washington, D.C. 20201.

NONDISCRIMINATORY POLICY : St. Louis MED TECH admits students of any sex, race, age, color, ethnic origin, gender, nationality, disability, sexual orientation, or religion to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of sex, race, age, color, ethnic origin, gender, nationality, disability, sexual orientation, or religion. in its administration of its educational policies, scholarship and loan programs, and other school-administered programs.

St Louis MED TECH maintains a **STRICT POLICY AGAINST SEXUAL HARASSMENT** and is committed to providing a safe environment for all its employees and students, free from discrimination on any ground and from harassment at school, including sexual harassment. We will treat all incidents seriously and promptly investigate all allegations of sexual harassment. Any person found to have sexually harassed another will face disciplinary action, up to and including dismissal. All complaints of sexual harassment will be taken seriously and treated with respect and in confidence. No one will be victimized for making such a complaint. Sexual Harassment is defined by behavior characterized by the making of unwelcome and inappropriate sexual remarks or physical advances in a workplace or other professional or social situation. Our school has a sexual harassment zero-tolerance policy.

STUDENT FILE ACCESS AND RELEASE OF INFORMATION POLICY

STUDENT RECORDS

Personal student files will be held in confidence and only disclosed to appropriate school administrative personnel as needed. All pertinent information will be held during enrollment and for one month after graduation.

RELEASE OF INFORMATION

Students may request to review their files on school grounds with 24 hour written notification to director.

RELEASE OF INFORMATION TO THIRD PARTY

A Release of Student Information Form MUST be completed EACH time the school wants or has a need to release information from the student file to a third party.

Notification of Student's Rights Under FERPA Law

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- (1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. A student should submit to the Executive Director or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- (2) The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- (3) The right to provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the school in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the school has contracted as its agent to provide a service instead of using school employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the school.
- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901 (212) 401-2057

Release of Information Policy: pursuant to the Family Educational Rights and Privacy Act of 1974 The FERPA is a Federal law designed to protect the privacy of the student's educational records. The law applies to all schools which receive funds under an applicable program from the U.S. Department of Education.

The FERPA gives certain rights to parents regarding their children's education records. These rights transfer to the student or former student who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students.

- Parents or eligible students have the right to inspect and review all of the student's education records maintained by the school. St. Louis Med Tech is not required to provide copies of materials in education records unless, for reasons such as great distance, it is impossible for parents or eligible students to inspect the records personally. The school charges \$.10/page for copies.
- Parents and eligible students have the right to request that the school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses the correction, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records.
- Generally, the school must have written permission from the parent or the eligible student before releasing any information from a student's record. However, the law allows schools to disclose records, without consent, to the following parties:
 - School employees who have a need-to-know
 - Other schools to which a student is transferring
 - Certain government officials in order to carry out lawful functions
 - Appropriate parties in connection with financial aid to a student
 - Organizations doing certain studies for the school
 - Accrediting organizations
 - Individuals who have obtained court orders or subpoenas
 - Persons who need to know in cases of health and safety emergencies
 - State and local authorities to whom disclosure is required by state laws adopted before November 19, 1974

Directory Information Public Notice

St. Louis Med Tech, at its discretion, may provide directory information in accordance with the provisions of the Family Education Rights and Privacy Act. Directory information is defined as information that would not generally be considered harmful or an invasion of privacy if disclosed.

Designated directory information at St. Louis Med Tech includes the following:

student's name, school address, school telephone number, school e-mail address, field of study, enrollment status, grade level, date of birth, participation in officially recognized activities and sports, dates of attendance, degrees, honors and awards received, and most recent education agency or institution attended.

Students may request to withhold directory information by notifying the Executive Director in writing. Note that withholding requests are binding for all information to all parties other than for educational purposes. Students should consider all aspects of a directory hold prior to filing such a request.

Policies and Procedures for Students with Disabilities

It is the policy of St Louis MED TECH to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act, which are Federal laws that prohibit discrimination on the basis of disability. St Louis MED TECH does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student's participation in a program of St Louis MED TECH. This applies to all students and applicants for admission to the school. St Louis MED TECH will provide reasonable accommodations to students with disabilities.

The School's Responsibilities to Students with Disabilities

The school must provide academic adjustments, auxiliary aids and reasonable accommodations to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, the school's program. The school must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The school must ensure that it provides physical access to students with disabilities. It is also the responsibility of St Louis MED TECH to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at St Louis MED TECH is Terry May, Executive Director. Phone: (314) 723-MED1

PROCEDURE FOR STUDENTS AND THE SCHOOL

Documentation of disability by students

Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the Executive Director. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed. The documentation of disability is kept at all times in a locked, private file at the school. To protect privacy, direct access to this documentation is by written consent only. The School Director will determine what information needs to be shared with St Louis MED TECH staff and learning leaders, on an "as needed basis," in order to facilitate academic accommodations or other services.

Students who plan to request accommodations should contact the School Director promptly, so there is time for the Director to review the student's documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Director; the Director will keep a record of the dates and contacts with the student, including a record of the accommodations student. Students who have questions about the type of documentation they need to provide should contact the Director to discuss this.

The student and the school director will discuss how the student's impairment impacts the student, how the student expects the impairment to impact the student in the school's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from the school. The director and the student should discuss accommodations needed during all phases of the program (Theory and Practical), and for classroom instruction, skills based instruction and skills practice.

Decision about accommodations, and ensuring implementation of accommodations

The Director will decide the accommodations to be provided to the student. The Director will consider any past accommodations for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

Additional factors

The school is not obligated to provide accommodations that would result in a fundamental alteration of the school's program. In this case, the Director will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Director will offer the alternate accommodation to the student.

The school is not obligated to provide accommodations that would result in an undue financial or administrative burden on the school. If the Director decides that a requested accommodation might impose such a burden, the Director will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If the Director determines that the requested accommodation would be an undue burden, the Director will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the Director if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator's decision to deny a requested accommodation. A student may appeal a decision by the Director to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Director that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Director has not effectively addressed the situation.

GRIEVANCE PROCEDURES FOR STUDENTS WHO HAVE COMPLAINTS ON THE BASIS OF DISABILITY POLICY

St Louis MED TECH is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The school then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If the school determines that discrimination occurred, The school must take appropriate steps to correct the discrimination and prevent it from reoccurring.

U.S. DEPARTMENT OF EDUCATION

Students or The school staff who have questions or concerns about disability issues may contact the Office for Civil Rights (OCR), U.S. Department of Education. OCR enforces Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to post-secondary educational institutions.

St. Louis MED TECH Grievance Policy:

Complaint & Conflict Resolution Process

Students are encouraged to be their own best advocate as it relates to their experience while at school, and to ensure that their expectations are being met within the framework of what the school curriculum and professional code of conduct prescribes.

However, the school acknowledges the importance of providing a prompt and efficient procedure for fair and equitable resolutions of grievances with the school without fear of prejudice or reprisal for initiating a grievance or participating in its settlement. To the extent possible, all grievances should be settled through informal discussions at the lowest administrative level, and disputed matters should be processed as formal grievances only when either party feels that a fair and equitable solution has not been reached in the informal discussions.

Success of this procedure is contingent upon the good faith effort of all participants. It is the responsibility of the school administration to ensure that the procedure is followed in its entirety in its spirit as well as letter. The School Directors will be responsible for ensuring that the determination reached in a grievance is implemented.

If a student has a problem or issue of concern, that student is to initiate a conversation with an instructor or administrative staff member to specifically receive information pursuant to the issue that is being presented. If the matter is a curriculum or classroom issue, it should be addressed to the instructor responsible for that function. If the matter is a function of student administrative processing, then the administrative staff member responsible for that area should have the opportunity to correct or address the concern. In the event that the matter has not been resolved to the student's satisfaction, after having been discussed with the instructor or other administrative staff, then the student is instructed to request an appointment with a School Director to explain the situation and allow the Director the opportunity to present a mutually agreeable corrective action plan or resolution.

If this informal conversation does not satisfy the student expectation of resolution, the next step would be for the student to put into writing the details and all pertinent information regarding the situation, including two or more possible ways to resolve the situation to the student's satisfaction and give to Director.

The Director will read the written description, and respond within 5 business days. The Director will request an appointment with the student where a written corrective action plan will be presented to the student which will outline what the school is prepared to commit to as a resolution to the student's concern.

If the corrective action plan meets with the student's satisfaction, both parties will sign to indicate their mutual agreement.

If after the formal meeting with the Director, the student is still not satisfied with the outcome, the student may contact the following state agency in the next step in filing a formal grievance:

Missouri Department of Higher Education
P.O. Box 1469
Jefferson City, Missouri 65102
573.751.2361

Commission on Massage Therapy Accreditation
2101 Wilson Blvd suite 302
Arlington, Virginia 22201
202.888.6790

St. Louis Med Tech has as its core agenda to meet and exceed the educational expectation for every student. The school only asks that students communicate their needs and commit to the resolution process to allow the school to make every attempt to resolve all issues and give reasonable remedy to every student.

St Louis MED TECH is LICENSED by : THE MISSOURI BOARD OF THERAPEUTIC MASSAGE & IS APPROVED TO OPERATE by THE MISSOURI DEPARTMENT OF HIGHER EDUCATION & INSTITUTIONALLY ACCREDITED BY THE COMMISSION ON MASSAGE THERAPY ACCREDITION

NOTE REGARDING STATE & NATIONAL REGULATORY AGENCIES:

Most States have regulations regarding licensure of massage therapists. In the absence of state law, local municipal ordinances may apply. The Missouri State Board of Therapeutic Massage requires a minimum of 500 hours of study from a licensed school, a background check, CPR certification, and successfully passing the MBLEx, to apply for state licensure. Licensing requirements vary by state. For additional information on state licensing requirements, refer to the American Massage Therapy Association, at www.amtamassage.org. Refer to www.idfpr.com for detailed information on Illinois 600 hour program requirements for massage therapy licensure. *Programs must meet a 600 hour minimum to qualify for National Accreditation.

MISSOURI STATE BOARD CONTACT INFORMATION:

MISSOURI STATE BOARD OF THERAPEUTIC MASSAGE, 3605 Missouri Blvd, Jefferson City, MO 65109. (573) 522-6277.

NOTICE REGARDING LICENSING REQUIREMENTS FOR MISSOURI MASSAGE THERAPISTS

STUDENTS ARE REQUIRED COMPLETE A FINGERPRINT AND BACKGROUND CHECK PRIOR TO APPLYING FOR STATE APPROVAL:

CRIMINAL BACKGROUND CHECK REQUIRED FOR MISSOURI LICENSING

An applicant for licensure must submit to a criminal background check pursuant to section 324.267RSMo of the licensure law that states, "Any applicant for a license to operate a massage business or a license to practice massage therapy shall authorize the board to conduct a criminal background check...The cost of such background check shall be paid by the applicant."

If an applicant submitted a criminal background check while provisionally licensed and the results are less than one year old, a second criminal background check is not required.

Section 43.543 RSMo of Missouri law authorizes state agencies to conduct a background check with the Missouri State Highway Patrol and the Federal Bureau of Investigation. Effective July 1, 2012 Missouri's vendor for digital fingerprinting will change. The company, Cogent, will have approximately fifty (50) non-mobile fingerprint service sites located in United Parcel Service (UPS) stores throughout Missouri and the cost will be \$40.30. Cogent will accept debit or credit cards or on-site payment by check, money order, or cash. If cash is to be paid, an applicant must have the exact amount \$44.80 as the vendor will not have change available.

With the new registration system, all applicants will log into the Missouri Automated Criminal History Site (MACHS) at www.machs.mo.gov. Effective July 1, 2012 an appointment to be fingerprinted must be made online via MACHS. The automated registration system walks an applicant through the steps to make an appointment. If an applicant does not have internet access, s/he can call 877/862-2425 and a representative will make the online appointment.

An applicant must have the four digit registration number. This registration number is 5407 for individuals applying for student, provisional, full, or business licensure in massage therapy. The registration number ties all agency identifying information together to insure the background check response is returned to the correct agency.

Once the registration process is complete, an applicant will receive a Transaction Control Number (TCN) that is used to track the appointment. Applicants need to take the transaction control number document to the fingerprinting site along with a current photograph.

Applicants must have a recent photograph to present to the vendor prior to being fingerprinted. At the fingerprinting appointment, applicants will be fingerprinted and have their photos taken. A receipt containing the TCN is provided after printing is completed. A copy of this receipt is to be sent to the board office to verify the background check is in process. The results of the fingerprinting will be sent directly to the agency office.

**Prospective Missouri massage therapists seeking licensure in MO will be required to undergo a criminal background check and failure of the check may adversely affect licensure in the state. Current cost \$40.30.*

Prospective Missouri massage therapists are required to successfully pass the National Examination in order to apply for Missouri or Illinois Licensing. Current approximate testing fee is \$195.00.

Applicants must provide evidence of liability insurance when applying to the Board for Licensing. Current AMTA cost \$89.00.

The current application fee for applying for licensing through the Missouri State Board for Massage is \$125.00.

**Students should review the FSMTB MBLEx Exam requirements prior to enrolling in a massage therapy course.*

St. Louis MED TECH TRANSCRIPT REQUEST POLICY:

The St. Louis MED TECH Transcript Request Policy states that students who wish to request a transcript must do so utilizing the St. Louis Med Tech Transcript Request Form. If the student cannot execute the form in person, the student will need to request that a form be emailed, faxed, or mailed to them. The school will then execute the transcript request upon receipt of the completed and signed Transcript Request Form. 2018 Policy states that there is currently no charge for transcripts.

**Transcripts can be withheld if a student has an outstanding financial obligation to the school. Students who fail to make tuition payments as outlined in the enrollment agreement can result in the student being barred from additional coursework until the student's account is up to date.*

SATISFACTORY ACADEMIC PROGRESS POLICY

St. Louis Med Tech Satisfactory Academic Progress Policy applies to all students:

NOTICE

Satisfactory progress in attendance and academic work is a requirement for all students enrolled in St. Louis Med Tech

NOTE: The Satisfactory Progress Policy is available to the public upon request, and each student is given a copy of this Satisfactory Progress Policy in their Orientation Folder. The Satisfactory Progress Policy is consistently applied to all students enrolled at the school. The policy complies with the guidelines established by the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Progress as follows:

School of Therapeutic Massage : 300 hours and fifteen scheduled weeks completion, 600 clocked (actual) hours

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete the course at satisfactory progress is stated below:

THERAPEUTIC MASSAGE COURSE

MAXIMUM TIME ALLOWED

WEEKS SCHEDULED HOURS

FULL TIME 20 hours per week for 30 weeks - 600 Hours

45 weeks

600

*approved Leave of Absence will extend the contract period and maximum time frame by the same number of days as are in the LOA

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a minimum theory testing at a 70% pass rate. Practical competencies must be achieved at a minimum 70% pass rate.

Numerical grades are considered according to the following scale:

90-100	A	EXCELLENT
80-89	B	GOOD
70-79	C	SATISFACTORY
60-69	D	UNSATISFACTORY
Below 60	F	FAILING

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Progress will be placed on warning or probation status.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and may appeal the negative determination at the beginning of the probationary period. Students will be considered to be making satisfactory progress during the first probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS

Students may re-establish satisfactory progress, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll within 180 calendar days of the original official withdrawal date will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory progress, the student may appeal the determination. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed; such as, death of a relative, an injury or illness, or other allowable circumstance as determined by the school. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours

STUDENT POLICY HANDBOOK

RULES OF CONDUCT ON St Louis MED TECH PROPERTY & AT INSTITUTION FUNCTIONS

All St Louis MED TECH students must conform to Federal, State and Local Laws.

They must conduct themselves in a manner conducive to the educational purposes of the school.

The school will suspend or dismiss any student who violates safety regulations, interferes with others students work, is boisterous, obscene or under the influence of alcohol or drugs. If suspension or dismissal occurs, the school will follow traditional discipline and due process procedures. Any student found stealing from another student or any school property will be dismissed immediately. St Louis MED TECH maintains the right to inspect student lockers and bags at the discretion of the educator for security and sanitary purposes.

No gum chewing or smoking is permitted at any time in any area of the St Louis MED TECH campus.

No food or drinks in classrooms other than lunch periods. No food or drinks in the student salon/spa area. Classrooms are to stay nice and clear of student personal items. All personal electronic devices are to be left at home or used off St Louis MED TECH premises.

EXCEPT when using the Ipad or cell phone for researching projects, writing papers, or per the educators directions.

The use of cell phones is limited to scheduled breaks and lunchtimes.

Any act of vandalism on St Louis MED TECH property may result in immediate termination.

COPYRIGHT INFRINGEMENT

The Copyright Act is a form of protection provided by the laws of the United States for "original works of authorship" including literary, dramatic, musical, architectural, cartographic, choreographic, pantomimic, pictorial, graphic, sculptural, and audiovisual creations.

"Copyright" literally means the right to copy, but has come to mean that body of exclusive rights granted by law to copyright owners for protection of their work. Copyright protection does not extend to any idea, procedure, process, system, title, principle, or discovery.

Similarly, names, titles, short phrases, slogans, familiar symbols, mere variations of typographic ornamentation, lettering, coloring, and listings of contents or ingredients are not subject to copyright.

St Louis MED TECH prohibits the unlawful use of copyrighted material without the copyright holder's permission, for personal, professional use and/or entertainment. This includes but not limited to downloading and sharing copyrighted images, music, movies, television shows, games, e-books, and any other copyrighted material. This policy extends to all St Louis MED TECH students. Violation of copyright materials may result in restriction of access to information technology and/or additional disciplinary action from St Louis MED TECH. Illegal distribution of such materials may also be subject to criminal and civil penalties.

Students have access to the Milady On Line Learning system. This is a protected password site.

This site is protected under the Copyright & Infringement law.

SPECIAL EVENTS

Special field trips and guest speakers/artists are scheduled for students. Students may participate in these events at no additional charge. Student's transportation is the student's responsibility. These events are a practical extension of the training and serve as a link between education and the work environment.

DRESS CODE

Your success depends on attracting the business of those who wish to improve their wellbeing. Consequently, it is extremely important for you to be concerned about your professional appearance.

St Louis MED TECH expects you to be well groomed: to wear neat, wrinkle free and clean clothing, have pride in the way you look, and to practice the highest standards of personal hygiene daily.

All students must come to school appropriately dressed with professional attire, makeup and manicured nails. Students are required to keep an appearance that is in keeping with the beauty and wellness industry image.

The school expects you to look professional at all times.

Prior to arriving at school, all students should dry and style their hair, apply a natural makeup look, apply deodorant, and be in professional dress attire. A check-in may be done every morning to assure students are properly attired. Students may be sent home if they do not meet dress and hygiene requirements. St Louis MED TECH takes pride in always increasing standards and expectations to assist students in becoming a successful beauty & wellness professional.

Dress code guidelines to follow:

Personal grooming: Hair is expected to be styled. Makeup applications are important to portray a flawless complexion. Makeup includes mascara and lip color or gloss. Facial hair must be clean, well-trimmed, and neat. Facial jewelry, such as eyebrow rings, nose rings, lip rings and tongue studs are discouraged, but if worn, they must be in good taste and not negatively impact your performance or participation. Negative or derogatory tattoos are not allowed to show and must be covered.

DRESS CODE POLICY NOTICE:

Students are encouraged to wear black scrubs, or black slacks with black t-shirt, flat close-toed shoes, no jewelry, natural make-up, with hair pulled back, and demonstrate a commitment to excellent hygiene at all times.

*Students will receive a warning if they are not wearing scrubs or black slacks and solid black or grey t-shirt.

Upon the 3rd warning, students may be sent home and required to be in uniform before returning to school.

**Students who miss class time due to repeated uniform violations must make-up class time during clinic hours within 10 days.

Tops: When not wearing a scrub top, any shirt or blouse worn should completely cover the back, top of shoulders (no arm pits showing), and stomach. Any top that allows the midriff, cleavage and undergarments to be exposed is unacceptable. T-shirts with writing or casual graphics are not approved. This does include industry related T-shirts, unless otherwise noted.

No jackets, winter coats are allowed to be worn during school hours in the student clinic area and the classroom (please dress in shirt layers if you tend to be cold).

Pants and Skirts: Students are encouraged to wear scrub pants, but when not in scrub pants, students are required to wear black from the waist down, which includes pants, skirts, dresses and Capri's (no pants above the knee). Walking shorts are not allowed. No jean material or denim, sweat pants, or wind suits pants. All skirts must be appropriate length, mid-thigh. All pants and skirts must be worn no lower than the hips, no sagging or dragging the ground. Undergarments must be covered. Long colored dresses are not allowed. If a colored shorter dress is worn black leggings must be worn. Spandex and other form fitting pants can only be worn with appropriate tops and flattering to the student's body type. Fish-net tights, holes in tights or leggings are not acceptable.

Shoes: Shoes must be professional in appearance. Closed toed shoes or boots need to be worn. All shoes must be clean and polished.

Tennis shoes, look-a-like tennis shoes, canvas shoes of any kind, Birkenstocks, Doc Martens, Ugg or Ugg look-a-likes are not allowed. If a student has doctor's orders to wear special orthopedic footwear, it must be an all-black shoe.

Headwear: Fashion hats and scarves are acceptable. No ball caps or winter caps or hats are allowed.

Scrub colors consist of black, white, lite blue or grey.

A white long sleeved shirt may be worn underneath any color of scrub top.

SALON/SPA SERVICE AREA

1. All services performed in the student salon/spa area are to be checked by an educator prior to beginning the service, then upon completion.
2. All services are to be done according to procedure.
3. At NO time is a student to leave a client during a chemical service.
4. All State of Missouri Rules of Sanitation must be followed at all times.
5. At No time will a student accompany a smoking client during a service.
6. Students must maintain a professional appearance while performing services
7. Students must conduct themselves with high professional ethics while working on clients.
8. Unprofessional conduct or language will not be tolerated while in the presence of our clientele.
9. No food, drink or personal items left in your treatment rooms.

STUDENT HAVING SALON/SPA SERVICES

1. Students may have services; instructor permission is required. Personal services have to be approved prior to the starting of the service. All services will be marked off on the appointment book. Student services may be moved or cancelled for a guest. No student services will be given on Friday or Saturdays, without permission, and students pay full price when receiving services on Friday or Saturday.
2. Any student not maintaining satisfactory progress or while on LOA, may not receive student services at a discounted price or on the time clock. Students may come in during nonscheduled hours and pay full price for services rendered.
3. All services must be paid in advance of the service or full price will be charged

PERSONAL TELEPHONE USAGE

Our phones are for business use only, therefore, personal phone calls will not be accepted by students. The front desk will take messages and the call may be returned on break. Students may use their cell phone only on breaks and only in the student lounge.

PARKING

Student parking is available in the third and fourth row of the parking lot located in the front of the building, and the far row facing Gravois Road. Parking is also available in the lower lot located behind the school, in designated areas, during daylight hours.

Please do not park in the first two rows in front of the school or near the post office end of the lot.

Do not leave valuable items in your car. The school is not responsible for any lost or stolen property

Students are required to enter and leave from the front entrance during the day and clock in upon entry and clock out upon exiting.

During the evening, students are to move their cars around to the front parking lot after 6:00pm.

DUTIES

1. A small housekeeping duty is to be done before you leave daily. These are posted. If you leave early, make sure your duty is done, either by you or someone else.
2. rooms are to be thoroughly cleaned and sanitized each day. Everything is to be stored in your locker, and all appliances are to be unplugged and put away before leaving each night.
3. Pick up after yourself, whether it is the student lounge, classroom, or on the service floor. It is your responsibility to take care of your personal belongings. All personal belongings may be stored in your locker. Do not carry any more money than you can afford to lose. No personal belongings are allowed on the service floor.
NO purses allowed in classrooms, student lounge area, desk or dispensary.
4. Students are responsible for keeping any area, where a guest is being worked on, clean
5. Put all items used back in their proper place. Pick up coffee cups, candy wrapper, magazines, used towels, etc. Facial area and reception areas are not lounging areas. Smoking, eating, drinking, and gum chewing are not allowed on the service floor or classrooms. This includes the desk and dispensary areas.
Smoking is not permitted in any area within the school.
Students may have drinks in classroom areas with lids only.

EQUIPMENT AND SUPPLIES

Students are provided with a locker. Equipment and personal items should be stored in these lockers. Equipment should have your name or initials marked on it. Students are not permitted to leave their equipment or books in the classroom or locker area unattended. The school is not responsible for lost or stolen articles. Before class, bring text, notebook, and pen. Any time a student takes their equipment or supplies off the school premises, including the last day, it could be inspected to insure you have only the equipment that belongs to you.

LIBRARY

A library of therapeutic massage related materials is available for your convenience, during regular school hours, to further your education. All books and videos are to be checked out by an Instructor. Books and videos must not leave the building.

TIPPING

Students are allowed to receive tips, but it is at the prerogative of the guest as to how much they wish to give. A student may not bait guests (example: jar of coins, piggy bank, etc) for a tip. Tips are given directly to students from the guest. We are not responsible for tips and do not process transactions for tips. Staff members will not handle tips.

STUDENT CAFÉ

Our student café has a refrigerator and microwaves for students who wish to bring their lunch. The café is for the use of enrolled students, guests are not to be directed to the student café. Guests and clients are to be directed to the client service area. Students are not to leave personal items unattended in the café. Students are to ensure that the café area is clean at all times. There should never be any dirty dishes in the sink, tables must be clean and orderly, and all refrigerated food must be cleaned out by Thursday at 3:00pm or it is subject to being disposed of.

MISCELLANEOUS

The use of profanity and vulgarity is prohibited on school premises and is cause for disciplinary action.

Students are responsible to check ALL bulletins boards in the café and classrooms for announcements, updates, grade postings and scheduled changes.

Marketing items are provided for student use. All reproductions of school logos or use of the St Louis MED TECH name must be authorized in writing by the Campus Director. N Privately made business cards can be allowed.

Should equipment be damaged, due to carelessness, neglect or vandalism, that student will be held responsible for repairs.

DRUG POLICY

AS required by the Drug-free schools and Communities act Amendments of 1989, which added section 1213 to the Higher Education Act, and implemented at 34 C.F.R. Part 86, the undersigned Institution certifies that it has adopted and implemented a drug prevention program for its students and employees that, at a minimum includes the following:

St Louis MED TECH prohibits the unlawful possession, use or distribution, of illicit drugs and alcohol by students, on its property or as part of any of its activities.

Any student found in violation of this rule will be immediately terminated.

If someone is struggling with a drug or alcohol addiction, please call 1-877-335-HOPE (4673)

FAMILY EDUCATIONAL RIGHTS/PRIVACY ACT/STUDENT FILE ACCESS

St Louis MED TECH fully complies with the Family Educational Rights and Privacy Act of 1974 (FERPA).

This act provides that students and former students may inspect and review their educational records maintained by the school. All students are guaranteed the right to access to their grades and records accumulated in their student file (a parent/guardian would afford the same right if the student were still a minor). At the time of such access and review, the Director or Business Office Administrator shall be present for interpretation of the records. Educational records are defined by FERPA to include records, files, documents, and other materials that contain information directly related to students and are maintained by an educational agency or institution or by a person as published in the "Guidelines for post-secondary institutions for implementation of the family educational rights and privacy act of 1974 as amended", Revised edition 1995, a publication of the American Association of Collegiate Registrars and Admissions Officers.

A student, parent/guardian must request in writing that the school Director make the file available for such inspection. To review records, students and former students may go to the Business Office Administrator or Director, present valid photo ID, and ask to review the record.

St Louis MED TECH will give students information concerning their rights under the Act through the distribution of an information sheet at orientation. Student records will be maintained for a minimum of five years.

DISCLOSURE INFORMATION

The school will disclose personally identifiable information from the student's record without written consent if the disclosure is:

1. To Federal and State authorities as listed in the Family Educational Rights and Privacy Act of 1974
2. To accreditation organization in order to carry out their accreditation function.
3. To comply with a judicial order or subpoena if the academy makes a reasonable effort to notify the student of the order or subpoena prior to the release of the information.
4. To persons responsible for determining eligibility for financial assistance for which the student has applied or received.
5. To protect the health or safety of another person.
6. To organizations sponsoring this student by paying the full cost of tuition directly to the school.

The school will not disclose information to any third party without the written consent of the student, (parent/guardian if the student is a minor) unless otherwise required by law. Each request must specify the person/organization to whom the disclosure may be made and information that may be disclosed and timeframe for disclosure period.
