Claiming my Birthright

Information ,Knowledge & Power
Ambassador Michael-Allan
November 2017

A fictional dummy no more! Move me into the real world!

What you are to about discover in this writing will (when fully understood and implemented) be the key to your own promised land! Land is life and that life is all in your birthright! And its waiting for you to claim it !

In the Temporal (earthly) and Spiritual (godly) realms comprehending the way things really work with information . Information comes from knowledge and with knowledge comes the power you need to succeed.

The plan of Yahweh (the most high creator of heaven and earth) was always to love you and give you all he had in love, as his creation, like any Father would do for his offspring. This story can not be told without the creators plan and how it has been subverted . So there are a lot of references to law and the bible as the foundation to the secrets being hidden from the masses who stopped studying the laws of man and of Yahweh.

This tract series explains the who what why where and how of the birthright and the way this dummy found out about the Law and the birthright claim to land and how it turned out to be the same as the promised land in the bible. We really are all equal under Yahweh just not equal under under Man, So chose Yahweh!

Read how this all works in this free introduction then if interested in reclaiming your birthright get the rest of the story of exactly what I had to know ,what I had to study and how this dummy studied to reclaim his birthright by donating to spread this truth.

Well its time to study because its not as easy now as it would have been if you had been aware of the birth -right earlier and what wasrequired to reclaim it.

All is not lost yet . You still have a claim its just that now you know you have been acting as a citizen of the government and as such are under the municipal laws.

So in order to regain your donor status your present jurisdiction under the law must be adjusted in order to be in the proper capacity to make your claim of right.

As only the donor "A" can reclaim what they've donated, the citizen "D" is merely a trustee so therefore can not claim anything from the trust held by the Monarchy "B".

So to recap, A the donor (man) gave B , the monarchy a trust (as a use), then B allowed the creation of C the government to administer the land right , so C then appointed D (the citizens) to be the trustees of those lands until the donor "A" returned to claim it under the law of reversion.

The ABC's of the Birthright.

The simple facts.

The owner of the birthright is called the Donor. The donors right is able to be given to another as a interest or use. However that use can only be reclaimed by the original donor by reversion.

In a birthright use there are four parties

- A (the man/woman as the original Donor)
- B (the Monarchy as the Donee)
- C (the government as the administator for the donee)
- D (the citizen also called the trustee)

A (the man or woman as the original Donor) gave to B (the Monarchy) consent to form a trust account at the time of application for a birth certificate.

The Monarchy "B" as trustee allows creation of "C" the government to act as administer of the trust according to law.

This is where you enter the transaction again, either as the competent Donor returning to claim his birthright or "D" "citizen" and subject to "C", the government.

As "D" in capacity of the citizen, you must apply to "C" for permits or licenses for use of the trust property you previously donated and now is legally controlled by B.

If instead, you would known about the law of reversion you may of chosen to redeem your birthright and used your authenticated certificate to claim the land where you wanted to live.

As it is now, you have probably not reclaimed your birthright, so have been presumed to be a citizen subject by having accepted the trust agreement by tacit acquiescence.

So what can you do now that you know you have a birthright waiting to be claimed?

Well its time to study because its not as easy now as it would have been if you had been aware of the birth -right earlier and what wasrequired to reclaim it.

All is not lost yet . You still have a claim its just that now you know you have been acting as a citizen of the government and as such are under the municipal laws.

hold the birthrights traded in exchange for a corporate identity in the man kings system.

Page 5

So you fit in as either a trustee (holder) of property of the man king (man's system) or as a child of the creator with him and him only as your king and Savior being saved from the false leader or the man king and his fate.

So now that the life questions are answered let look into why the birthright is so important and why the world is like it is today what happened and why?

We of course must start with the creator because he is the alpha and omega the beginning and the end. The creator of all we see so it all comes down from him

A Brief summary of the history of the loss of the Birthright

The creator created the first man from the dust of the land and gave them rules to live by and prosper all were content and happy . We came form the land like everything else on earth. Elemental elements are our makeup.

Then a deceiver entered the scene and of course promised a better way that there was much more to learn and be able to do and promised to teach if you would only follow him

The people Adam and Eve fell for the story and transgressed god law and partook in the forbidden knowledge . This transgression or SIN lead to their being expelled from their fathers land of Eden for transferring their loyalty to the deceiver , so their birthright from the Father to his land land was removed until their transgression against god law was forgiven. Only problem was no one was able to forgive them except god and he could not abide sin meaning transgression of his law . So they were out until they realized the error of their ways and sought god once again , then he would make a way for their sin to be forgiven.

So they were given and extended life time of like 800 years before they died or made peace with god and had to make it on their own working for all they received . Their birthright was then held in abeyance till preparations were made for it to be reverted back to them by their acceptance of God again and redemption by their near kinsman. A near kinsman was a family member related by blood (jus sanguinus) who could pay the penalty to reverse the charges and set things right again.

So over time the people grew in number and had family's and grandchildren etc but without god they soon found they needed a leader to organize and keep order among the people so this is where they asked the prophets of god for a Man -king. A Man-king was just that he was one of the men chosen to be the king over the people as they still thought they new better than the creator and could rule

themselves so god granted their wish as we read in 1 Samuel 8 King James Version (KJV)

1 And it came to pass, when Samuel was old, that he made his sons judges over Israel.

2 Now the name of his firstborn was Joel; and the name of his second, Abiah: they were judges in Beersheba.

Page 7

3 And his sons walked not in his ways, but turned aside after lucre, and took bribes, and perverted judgment.

4 Then all the elders of Israel gathered themselves together, and came to Samuel unto Ramah,

5 And said unto him, Behold, thou art old, and thy sons walk not in thy ways: now make us a king to judge us like all the nations.

6 But the thing displeased Samuel, when they said, **Give us a king to judge us.** And Samuel prayed unto the LORD.

7 And the LORD said unto Samuel, **Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them.**

8 According to all the works which they have done since the day that I brought them up out of Egypt even unto this day, **wherewith they have forsaken me, and served other gods,** so do they also unto thee.

9 **Now therefore hearken unto their voice: howbeit yet protest solemnly unto them, and shew them the manner of the king that shall reign over them.**

10 And Samuel told all the words of the LORD **unto the people that asked of him a king.**

11 And he said, **This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots.**

12 **And he will appoint him captains over thousands, and captains over fifties; and will set them to ear his ground, and to reap his harvest, and to make his instruments of war, and instruments of his chariots.**

13 **And he will take your daughters to be confectioneries, and to be cooks, and to be bakers.**

14 **And he will take your fields, and your vineyards, and your olive-yards, even the best of them, and give them to his servants.**

15 **And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants.**

16 **And he will take your menservants, and your maidservants, and your goodliest young men, and your asses, and put them to his work.**

17 **He will take the tenth of your sheep: and ye shall be his servants.**

18 **And ye shall cry out in that day because of your king which ye shall have chosen you; and the LORD will not hear you in that day**

19 Nevertheless the people refused to obey the voice of Samuel; and they said, Nay; but we will have a king over us;

Page 8

20 That we also may be like all the nations; and that our king may judge us, and go out before us, and fight our battles.

21 And Samuel heard all the words of the people, and he rehearsed them in the ears of the LORD.

22 And the LORD said to Samuel, **Hearken unto their voice, and make them a king.** And Samuel said unto the men of Israel, Go ye every man unto his city.

So as you can read above god granted them a King over them (our ancestors) to track all of their goods (by registration) and made them work to take care of the land and property (by work) that they gave to the king as the donors to establish the kingdom. Basically shifting all of their responsibility as governors of their own households and property in absolute ownership with no superior called allod or allodial ownership to the King in exchange for a title or use of the property they donated to the kingdom with the king as the legal (without God) title holder. With the people only retaining a use of the property.

This title (legal Name) they received from the Man-King was the receipt of the **warranty** issued by the system to reclaim the property from the king if they ever wanted to return to the creator as their King and ruler. Now to be clear, the people now when they received their title (name issued by the king) **they could then use the property** of all the donors given to the king in exchange for taking care of it so if any donor returned to claim the property they were using it would be in good and was not wasting away, the people therefore became trustees of the king as trusted subjects to care for the kingdoms property.

If the donor (any of us) return to claim our property by right of this warranty the trustees or people holding that property would have to give it back to the donor (or become a disseisor) no matter how many years had gone by the people could still come back to the loving God . As now the people in their capacity as a trustee of the Man-king they had rules to follow and where not allowed to keep donor property for themselves anymore but just owned a marketable interest as holders in the property which is why we are called tenants today on our deeds as we just rent owning only the right to sell the rental rights of the property

So as the years went by and the kingdom grew a great bureaucracy developed and records were kept of all the transactions happening to keep track of the donors property. As the years went by fewer and fewer donors where aware of this right of

reversion back to the owners of the property. As the Man-King had amassed a great kingdom with a military (to defend the people) and administrators (to keep records) and land managers (to grow food on the king's property he held for the people) the people had become accepting of the Man-Kings role in their life as they could see the work being done around them to keep the kingdom safe and became normal to just rent an interest or fee-simple

Page 9

But what did they give up in this transaction by wanting a Man-king instead of the creator God as their leader? The following explains how we all do the same thing today by selling our birthright for some promise by the Man Kings. Adam was the first man to trade away his birthright.

Adam was a man.

This means that he was made in God's image (Genesis 1:26). So was Eve. This means that Adam was God's first-born earthly son, **the lawful heir to the whole world**. God made it for man, and then He placed man over it (Genesis 1:28). All of it. It was man's lawful possession, so long as man remained faithful to God by obeying his law. He broke the rule not to eat of the forbidden fruit which opened this Pandora's box we find ourselves.

By this transgression of God's law Adam traded his birthright to Satan-not for a mess of pottage (a bowl of stew), the way that Esau sold his birthright to Jacob (Genesis 25:29-34). No, Adam traded it for a lie, or at least a half-truth: "You will be like God" (Genesis 3:5). Eve was just deceived in this transaction, though was disobedient; Adam knew exactly what he was doing (1 Timothy 2:14).

What was God's response? To disinherit Adam. Because in pure truth he could not have transgressors on his land. He threw Adam and Eve out of the garden. But because he loved them, He clothed them in animal skins (meaning that some animal was first slain by God). He also gave them extra years of temporal life. But from that day forth, they were legally (without God) as disinherited children. So is every man or woman when physical born. Made in God's image, we are born as disinherited children. Read more in the book by Gary North, *Liberating Planet Earth*

Read this over carefully again! It is the birthright (land) given to us by creator god that we traded away in exchange for a man to rule over us! Why would we do this? Lose the dominion over our lands and become servants of a trust set up by a Man-King. The trust the Man-King rules over is what we today call fee simple (the fee is owed for use of the property of another the original donor to the Man-King) This is why the need for the law of reversion to re-vest the promised land! That was given away by us (our ancestors) as the original donors of the land, the gift of God the garden of Eden.

Christ dying was to reclaim our birthright — our dominion over the earth! Remember Adam had no redeemer so they had to sacrifice animals to try to offer blood for their sins. But their still was no kinsman redeemer. The reversion of our land is representative of our being accepted and returning back into the promised land! As we did not have access till Christ showed us the way living a sinless life never transgressing God's law. So took the land back from the tempter we call Satan. His life blood paid the sin debt and allowed the garden of eden (earth) to be re-inherited by man with as our acceptance of Christ's resurrection victory as the statement of rightful claim back to the sons of god! As their sins (forfeiting their birthright to the monarchy) are forgiven by the redemption by Christ and our acceptance of his Father again as our King. Page 10

Now I know that was a lot to take in but it a summary when you read on you will discover what all these word mean and how they are applied

The point is there has always a plan put in place by god and followed by the Man-Kings (plural) king after king down through the ages ruling over us until we are able to return as the rightful donor to claim by law of reversion our land through succession

The Man-King or Man-Queen is the monarchy structure (the crown) today. A giant worldwide trust put in place by god as was the peoples wish. The governments of the world are the administrators of the trust assets for the Man-King, they do nothing but manage the people who agreed to be trustees and the assets of the donors yet to return by keeping records

In the next Part you will learn more about the birthright.

We hope you can see the value of the birthright now that you know the true history. If you get your birthright back by a deed of release you can claim any fee simple lands held waiting for those prodigal sons who woke up and realized home in the fathers kingdom was pretty good! The rules were in place for our safety not our punishment and God loves us and protects us from the Hivites. The hive people who follow the Queen (bee) who is the Man-King of today. They have been sending out generations of queen to colonize the entire globe spreading the love of the Man-King over the Love of The creator. Building an Empire one colony at a time and installing the fee simple system This system is anti Christ as it seeks to elevate Man over God the created thing over the creator removing his law form the public view so everyone would think they run the the world lands and kingdom.

You may have heard the phrase "wake up people!" this refers directly to those who are asleep or unaware of the truth in this Introduction of your right to land by claiming your birthright

Now be warned they have not made it easy or everyone would of done it right? No they have rules all throughout the writings of Littleton and Coke and many others that exist because of the various laws passed over time have changed jurisdictions

and made it hard to follow the path from the first take over by the Man-King all the way to today to show they have no right to keep it from us if we come in with the proof of right . However if we don't come with proof we will be punished for not exercising our agreed duty to protect the kings trust property we must be honorable and have clean hands (called no attachments to the Man-King's trust property before we can be released .

The series is packed with copy's of the documents and charts you will use to back up your claim so a judge will grant you your lands

So please support this ministry to get the real truth out . It takes a specific approach or you can get in trouble not knowing the whole story and able to back it up . So we encourage you to donate and receive the entire series A listing of the contents is on the back page . Each part is meant to explain in detail what you need to know to make a proper claim for your chosen land your birthright. Page 11

The next page gives a little more about the next part the basic principles of the birthright and how it was used like land it was passed down from father to first son and was very valued as it was the family's ancestral fortune.

Of course we would encourage you to accept Gods gift of his son yahshua (jesus) as the sacrifice which allowed us to return to the land and reclaim our birthright by accepting his act you accept God as your King again and are re-inherited by into The creators family fully forgiven for your transgression of worshiping the Man-King our the Creator and able to take your promised land by your birthright . There is no other way back into the garden of eden . So when you physically die your spirit will go to the kingdom of the creator in heaven Praise to the true King of Kings for saving your soul from death.

Birthright

In ancient times, the birthright was a very important and sacred thing. It belonged to the firstborn. The family name and land were to pass to the eldest son. He would also receive a double portion of the inheritance. But it was more than just a right to the physical assets of a family. It was also a spiritual position, and in the case of the people of God, God would lead the family through patriarchs, or fathers (Hebrews 1:1-2). Additionally, in the special case of Esau and Jacob, that meant the one to whom belonged the birthright was the one through whom the covenant promise made to their grandfather, Abraham, would be realized. Ultimately, the Messiah Yahoshua (we call Jesus) would come through the holder of the birthright and bless the nations of the earth. Esau was the firstborn, and the birthright was his. But like many, he failed to appreciate its value and sacredness. Genesis 25:29-34 (KJV)

"...When Jacob had cooked stew, Esau came in from the field and he was famished; and Esau said to Jacob, 'Please let me have a swallow of that red stuff there, for I am famished.' Therefore his name was called Edom. But Jacob said, 'First sell me your birthright.' Esau said, 'Behold, I am about to die; so of what use then is the birthright to me?' And Jacob said, 'First swear to me'; so he swore to him, and sold his birthright to Jacob. Then Jacob gave Esau bread and lentil stew; and he ate and drank, and rose and went on his way. Thus Esau despised his birthright." (Genesis 25:29-34)

A birthright is called an estate at law. An estate is the account name set up by a government trust for holding your birthright inheritance until you reach the age of majority. [competence in law] could be seven years if a smart boy or girl .

What the main law book(Holy Bible) has to say about estates.....

Page 12

Galatians 4:1-7 New International Version (NIV)

4 What I am saying is that as long as an heir is underage, **he is no different from a slave, although he owns the whole estate.** 2 The heir is subject to guardians and trustees until the time set by his father. 3 So also, when we were underage, we were in slavery under the elemental spiritual forces of the our hearts, the Spirit who calls out, "Abba, Father." 7 So you are no longer a slave, but God's child; and since you are his child, God has made you also an heir

Dear Reader:

Most people have asked these 5 questions of themselves at some point.

Who is the creator of life?

What is this life all about ?

Why do I have to work so hard to survive ?

Where do I go for help and comprehension ?

and

How and do I fit in to this life?

Those questions are quite deep, but the answer is quite simple with a little understanding and explanation. . The confusion arises because we are programmed from birth to believe interpretations and story's by greedy men trying to attain access to every Man's God given birthright!

So Yes that is the answer! the birthright. the one and very same given to you by your creator in heaven. Which very very few people even pay attention to, yet it is your claim of right to the promised land you have been artfully steered away from and then fooled into purchasing the right to use it!

The Birth right equals Land ! Promised to you by Almighty God

The Bible states its quite simply in Matthew 7:14

“ Because strait *is* the gate, and narrow *is* the way, which leadeth unto life, and few there be that find it.

Few find it ! Few people pay attention and seek truth . The creator has not created a work camp, he created a paradise ! Greedy men working with the adversary of the creator and wanting to be gods themselves have perverted the truth and lead us away from the free promised land! You are promised land by birth “right” a warranty ! Yes the same promised land in the bible flowing with milk and honey (cows and bees!) the staples of life meat and plant pollinators. The land is a free gift from god as promised to his believers! It is the

Page 3

birthright. All things come out from it --- the trees to build with, the plants we survive on, the pastures to raise animals for meat, the rivers and streams we drink from . The place where we live our lives the place we call home, our birthright is to have land without a superior.

Learn how I claim mine and how you can also!

So this tract is to answer questions and lead you back to your Birthright ... your land and the creator who gave it to you. So first question from above

Who is the creator ?

He is the good One, you know the one that loves you so much as to bring you into existence ? ya him! He's the one that made the land we call Earth , he made the stars we gaze at, the sun that warms us and the land that provides for us. He made the rules that help us live in fairness and peace. He's the one who gave us the free choice to follow his ways or follow after Men . Hes the One that gave us the birthright, a claim to the land to use and have dominion over till we pass it on to our offspring or chosen heirs

What is this life all about ?

This life is all about choices. It is a place we exist in while we decide to follow our creator by faith or other men on earth so that in the future we can see why we made the choices we did and that we alone

put ourselves in the position we are in and no one else. This tract only came to you by the grace of the creator he wants to answer your questions and be close to you however he must be in the background while you make your choice who you chose to follow as it is part of being fair and impartial other wise its not a free choice . But lucky for us he has many followers , know as believers, who are willing to teach us the correct way to the promised land and this is what this tract is about!

Why do I have to work so hard to survive ?

Tell ya a secret you don't! You have been modeling a program! you have learned the way of man and not the way of God by the deceivers it s not your fault it what you have been taught. Don't you think if everyone knew they had Page 4

How and do I fit in to this life?

Well that all depends. If you chose to believe that the creator loves you and made a way for you and you were somehow deceived into following man and not god you have till the day you die you rediscover the truth and be set free. The way you fit in to this life is all based on which position you support by your actions. If you want to transgress the natural laws of the creator and harm others then you will probably become one of the deceivers as that is the way people who harm and take advantage of other operate as their lies help them have other trust them so they can steal their wealth and land and turn them into their workers making profits for them . So if you chose to not learn about the history of the world and of the bible and learn about the birthright and your claim to it then you will be used by the ones who know . If you learn the truth you will be given the key to the promised land which is your birthright and is only talked about in the bible and is the carelessness which people ask to be part of the Man king system through asking for an account name to use so you can hold property of the king to use in fee simple. The monarchy of today hold the birthrights traded in exchange for a corporate identity

in the man kings system. So you fit in as either a trustee of property of the man king (man system) or as a child of the creator with him and him only as your king and Savior from the false leader or the man king

Page 16

the people chose to follow men instead of the creator he gave them what they asked for . Sadly getting what you ask for does not turn out always as you hoped especially if the men leading the people have devious intentions . Which is where we get into the problem of following Man over the creator . Men dont have the creation powers of the creator so they need other mens labor and money to build their kingdom this is why you have to work so hard to survive.

You can read about the Man King in 1st Samuel chapter 8 20-22

God Grants the Request

...20 that we also may be like all the nations, that our king may judge us and go out before us and fight our battles." 21 Now after Samuel had heard all the words of the people, he repeated them in the LORD'S hearing. 22 The LORD said to Samuel, "Listen to their voice and appoint them a king." So Samuel said to the men of Israel, "Go every man to his city."...

Where do I go for help and comprehension ?

Well you might of guessed the bible has a most of the answers if you have the eyes to see and the ears to hear . Since you got this far it seems you have the eyes to see . So, obviously this birthright has been hid from most of the people by the old ruse that its an ancient ritual or something not done anymore nothing could be farther from

the truth ! Truth and the creator are never far from those that seek him
So the truth was revealed to me over time and study of the
foundations of law and asking questions about why and how things
are done a certain way . The bible explains a lot and old history and
law books still contain the answers.
"There is nothing new under the sun" (Eccl 1:9 RSV)

So the way we claimed our birthright then is the same way as we do it
today . Although the words and phrases have been modified it is the
same system and run by the rules the creator set. Even the Man king
who registers all the property he is given control over must provide a
way for it redemption . So movies and books and plays all tell the
story of the redemption of the land and return to the creator as the
true king of kings

Page 5

"...When Jacob had cooked stew, Esau came in from the field

and he was famished; and Esau said to Jacob, 'Please let me
have a swallow of that red stuff there, for I am famished.'
Therefore his name was called Edom. But Jacob said, 'First sell
me your birthright.' Esau said, 'Behold, I am about to die; so of
what use then is the birthright to me?' And Jacob said, 'First
swear to me"; so he swore to him, and sold his birthright to
Jacob. Then Jacob gave Esau bread and lentil stew; and he ate
and drank, and rose and went on his way. Thus Esau despised
his birthright." (Genesis 25:29-34)

A birthright is called an estate at law. An estate is the account
name set up by a government trust for holding your birthright
inheritance until you reach the age of majority. [competence in
law] could be seven years if a smart boy or girl .

What the main law book(Holy Bible) has to say about
estates.....

Galatians 4:1-7 New International Version (NIV)

4 What I am saying is that as long as an heir is underage, **he is no different from a slave, although he owns the whole estate.** 2 The heir is subject to guardians and trustees until the time set by his father. 3 So also, when we were underage, we were in slavery under the elemental spiritual forces of the world. 4 But when the set time had fully come, God sent his Son, born of a woman, born under the law, 5 to redeem those under the law, that we might receive adoption to sonship. 6 Because you are his sons, God sent the Spirit of his Son into

our hearts, the Spirit who calls out, "Abba, Father." 7 So you are no longer a slave, but God's child; and since you are his child, God has made you also an heir

1 Samuel 8 New International Version (NIV) [Bracketed words used for clarity]

Israel Asks for a King (to rule over them and to hold their birthright)

But when they [the people] said, "Give us a king to lead us," this displeased Samuel; so he prayed to the Lord. 7 And the Lord told him: "Listen to all that the people are saying to you; it is not you they have rejected, but they have rejected me [Creator] as their king. 8 As they have done from the day I brought them up out of Egypt until this day, forsaking me and serving other gods, so they are doing to you. 9 Now listen to them; but warn them solemnly and let them know what the [Man] king who will reign over them will claim as his rights."

10 Samuel told all the words of the Lord to the people who were asking him for a king. 11 He said, "This is what the king who will reign over you will claim as his rights: He will take your sons and make them serve with his chariots and horses, and they will run in front of his chariots. 12 Some he

34

will assign to be commanders of thousands and commanders of fifties, and others to plow his ground and reap his harvest, and still others to make weapons of war and equipment for his chariots. 13 He will take your daughters to be perfumers and cooks and bakers. 14 He will take the best of your fields and vineyards and olive groves and give them to his attendants. 15 He will take a tenth of your grain and of your vintage and give it to his officials and attendants. 16 Your male and female servants and the best of your cattle and donkeys he will take for his own use. 17 He will take a tenth of your flocks, and you yourselves will become his slaves. 18 When that day comes, you will cry out for relief from the king you have chosen, but the Lord will not answer you in that day." 19 But the people refused to listen to Samuel. "No!" they said. "We want a king over us."

whatsoever, whereby he that hath right to the freehold is kept out of possession. But, as contradistinguished from the former, it is only such a detainer of the freehold, from him that hath the right of property, but never had any possession under that right, as falls within none of the injuries which we have before explained. As in case where a lord hath a seignory, and lands escheat to him *propter defectum sanguinis*, but the seisin of the lands is withheld from him: here the injury is not *abatement*, for the right vests not in the lord as heir or devisee; nor is it *intrusion*, for it vests not in him in remainder or reversion; nor is it *disseisin*, for the lord was never seised; nor does it at all bear the nature of any species of *discontinuance*; but, being neither of these four, it is therefore a *deforcement*¹. If a man marries a woman, and during the coverture is seised of lands, and alienes, and dies; is disseised, and dies; or dies in possession; and the alienee, disseisor, or heir, enters on the tenements and doth not assign the widow her dower; this is also a *deforcement* to the widow, by withholding lands to which she hath a right^m. In like manner, if a man lease lands to another for term of years, or for the life of a third person, and the term expires by surrender, efflux of time, or death of the *cestui que vie*; and the lessee or any stranger, who was at the expiration of the term in possession, holds over, and refuses to deliver the possession to him in remainder or reversion, this is likewise a *deforcement*ⁿ. *Deforcements* may also arise upon the breach of a condition in law: as

The Monarchy

against him if he did not carry out his obligation. The person holding the legal title in this way was called the *feoffee* (to use) and the beneficiary was called the *cestui que use*, an old French Latin term, meaning "the one for whom the use was held." Once established, uses were employed for other purposes. Since the law of forfeiture of property for treason applied only to the legal title and not to the equitable "use", it became common for the nobility of England, who were frequently engaged in civil wars, to convey the legal title of their land to some humble non-combatant, to hold for the use of their families, and thus avoid the loss of their property to their families, if they should be defeated in war and afterwards tried and convicted of treason.

The King/Queen of England was always English up until 1066. William the conqueror was the first none English monarch in England and there has not been an English King/Queen since. The King/Queen was always elected prior to William in 1066, he was the first King that was not elected, and no King/Queen has been elected since, the crown has always been inherited and/or forced, since. 1066-1707 is the most important timeline for the monarchy and English law. Current legislation and acts made by governments in equity can NOT supersede monarchy statutes which is why monarchy statutes are so important for reversion. <https://omnipotence.ca/index.php/component/edocman/156-treatise-on-private-international-law-or-the-conflict-of-laws?Itemid=0>

what is jurisdictions, who they apply to and why,

and what is succession of the crown..

Trade Guilds

Trade guilds, also known as Livery Companies, can be traced all the way back to at least 85AD (City of London Corp) and are responsible for getting the world (and their land) in to treatise with England and English Law, East India Trading company is an example of one of the trading companies involved in doing this.

Government

The government are a municipal corporation created by the monarchy in Equity. The monarchy granted the government a USE of the lands and the power to create their own laws/legislation (in Equity). The government are the corporation that we all volunteer to be a part of (citizens) and this is what binds us to equity law and prevents us from 'accessing' common law.

care?

In 1666, in London, during the black plague, and great fires of London Parliament enacted an act, behind closed doors, called Cestui Que Vie Act 1666.

<http://www.opsi.gov.uk/RevisedStatute...>

The act being debated the Cestui Qui act was to subrogate the rights of men and women, meaning all men and women were declared dead, lost at sea/beyond the sea. (back then operating in admiralty law, the law of the sea, so lost at sea).

The state (of London) took custody of everybody and their property into a trust, the state became the trustee/husband holding all titles to the people and property, until a living man comes back to reclaim those titles.

The trust was created by government by authority of the Monarch therefore legal title was held by the government of the area as legal owners with the men and women as the beneficial owners if they returned from the jurisdiction of the sea to claim their life estate

Law is agreement .

Jurisdiction is acceptance of the agreement

Law is an agreement. BOTH PARTIES must agree or there is NO law. Law is created by the ownership or assumed ownership of the lands. Jurisdiction is acceptance of the agreement. Everyone must be bound by a jurisdiction, yet you can only be bound by ONE jurisdiction at any one time (which is why you can't use a remedy in common law when you are still acting as a corporate person in equity, hence why the release is needed)

everyone is born with their own jurisdiction, yet grant it away for a use for a fee to be part of the equity English law group...

English Law

by joining a group, like English law, we lose all rights, and the people within it, when any new jurisdictions happen the people have no idea, the civil law stays the same,,,

only the law of the superiors change

we are not learning civil law, look at it as law of nations but for natural law, the source of all law in English law

law of nations is also equity and is used only to restrict those in that jurisdiction

common law for the donor in reversion is not his law, it is his warranty and the common law and equity of English law forces the subjects and sovereign to comply with the warranty to the land tenure of the donor,

common law and equity is only for English subjects

Finding your seat in law

Where do you live ?

Where do you work?

Defining capacity in jurisdiction

Example : John Doe

Where do you live John? Answer : Manitoba

What do you do for a living? Answer : Judge

So his jurisdiction is Manitoba and His capacity is judge

everything and everyone has a seat in law, a jurisdiction and agreement that binds them to it

Law of Domicile

§ 104. General Remarks – "Every person receives at birth a domicile, technically known among modern jurists as "domicil of origin." Says Lord Westbury in *Udny v. Udny* : "It is a settled principle that no man shall be without a domicile; and to secure this result the law attributes to every individual as soon as he is born the domicile of his father if the child is legitimate, and the domicile of his mother if legitimate. This has been called the domicile of origin, and is INVOLUNTARY.

Warranty

Your (birth certificate) is a indenture to you and a deed poll to the issuer. Therefore is your warranty to use to claim your land. warranties is the law annexed to the agreement. But if one be remitted to a former title or recover upon an ancient right, or redeem a mortgage, or being a disseisor obtain the release of the disseisee, such person may presently sell, grant, or contract, and need not tarry a year. And without question, any person having a just and lawful estate may obtain and pretended right by release or otherwise; for that cannot be to the prejudice of any: so a disseisor who has a wrongful estate may obtain a release from the disseisee. In like manner a remainder-man [who is necessarily out of possession] having a lawful and just title, not only because the particular estate and remainder are all one; [the possession of the tenants for life being that of the remainder-man]; but because also it is a means of extinguishing the seeds of trouble and suits, and cannot prejudice any, but he in remainder cannot take a promise or covenant, that when the disseisee has entered upon the land, or recovered the same, that then he shall convey the land to the remainder-man, thereby to avoid the particular estate, for that is neither lawful, being against the express purview and body of the act, and not reasonable, because it is the prejudice of a third. Pg 616 its like a warranty for a car, the warranty only binds you to comply with certain things to get the warranty, the seller monarchy is bound by the law of the warranty to warranty as the contract states

hague is equity

estates in reversion is 100% complete, terminates the corp person gets lands and equity back and can prohibit others from abridgments and infringements, and are all eatopped from disputing it

you have the remitter, just have to be in the proper capacity to remit it.

Historical fact of law

Involuntary slavery has been outlawed

Common law is the law of the land

The maker of the law is the owner of the lands

The Monarchy created the municipal law

1666 is us accepting the agreements in equity – Cestui Que Vis Act 1688 abolishes slavery – Bill of Rights

The Understanding of how the subjects just assume the system of their group is important as well as the history of the trust, in order to understand it and get it back, since the trust was actually created in 1285 into English law. as well as the Magna Carta the great charter,,,,, the constitution of the common law..... being a constitution also says that it is a trust, and DEFACTO..... only DEFACTO trust COMPANIES have constitutions..

littlton is in feudal law times , the original law that created all other jurisdictions in law, this is the source the true foundation to English common law, everything in the fee simple and king section is all equity,,,,, you have to trace the law from it origin to today, commentaires upon littlton system 1 fuedal land tenures coke upon littlton ancint land tenures blackstone modern land tenures, the people in the USE for a fee as citizens aka cestui que vie, only have a use for a fee and live in equity, as trustees, to the sovereign yet now in modern land title the soverighn is the corp aka govt, in right of the English monarch of the common law, you have law and equity, common law of the land tenure (the contract) and the citizen (acceptance) of the contract, citizen is life tenant in Littleton times and is now fee simple absolute

incorporeal corporeal heriditaments

“Land” includes land of any tenure, and mines and minerals, whether or not held apart from the surface, buildings or parts of buildings (whether the division is horizontal, vertical or made in any other way) and other corporeal hereditaments; also a manor, an advowson, and a rent and other incorporeal hereditaments, and an easement, right, privilege, or benefit in, over, or derived from land; F3. . . and “mines and minerals” include any strata or seam of minerals or substances in or under any land, and powers of working and getting the same F3. . .; and “manor” includes a lordship, and reputed manor or lordship; and “hereditament” means any real property which on an intestacy occurring before the commencement of this Act might have devolved upon an heir;

hereditaments is everything..... attached to the land and depends on your jurisdiction.. and your capacity within it

why govt a word will mean different than if citizen does it, and a whole different meaning for the true owner and donor

<https://omnipotence.ca/index.php/library/law-of-reversion?task=document.viewdoc&id=140>

acceptance to the trust is granting the lands and not claiming them back, in stead we volunteer to a corp for a title of purchase or descent, the vote is already being part of the group and of age... it is another way to prove your actions are saying yes even if your word on paper say you don't agree and why vexatious and frivolous...

you have the indenture aka remiter

Pg 590 No remitter if one estate be at common law and other under stat of

use. The reason is no folly can be attributed to the infant in accepting the feoffment at the time it was made. Hence therefore, in this case the law respects the time of the feoffment, and not the time of the death: and albeit the infant might have waived the estate at his full age, yet [seeing that would be to his loss and prejudice, he shall have the benefit of the feoffment till his ancestor's death,when] the right of the estate tail descending on him either within age, or of full age, shall work a remitter[to his estate in tail]. But since littleton wrote, there is a great alteration in remitters by the statute of uses H.8.c.10; for if a tenant in tail now make a feoffment in fee to the us of his son (within age) and his heirs, and dies, and the right of the estate tail descends to the son within age, yet he in not remitted, because the statute executes the possession in such plight, manner, and form, as the use was limited; [whereby the issue is in, not of the estate discontinued, but of a new use under the statute]. But if the issue in tail in this case waives the possession, and bring a formedon in the descender, and recover against the feoffees, he shall thereby be remitted to the estate tail; otherwise the lands may be so incumbered that the issue in tail would be at great inconvenience; but if no formedon be brought, and that issues dies, his issue shall be remitted; because an estate in fee-simple at common law descends upon him.Pg 591 Remitter an act of necessity

Also, a principal cause why such her shall be remitted, is because there is not any person against who he may sue his writ of formedon, for against himself he cannot sue, and none other is tenant of freehold; and for this cause the law adjudges him in his remitter,scilicet, in such plight as if he had lawful recovered that land against another.

Pg 592 None to right remedies

Here it is understood, that a regularly a man shall not be remitted to a right which is remediless, that is, for which he has no remedy by action; for neither an action without right, nor a right without an action,can make a remitter.

Pg 593 No remitter of heir in tail of full age because his folly to accept feoffment

Also, If tenant in tail enfeoffs his apparent, the heir being of full age at the time of the feoffment, and after tenant in tail dies; this is no remitter to the

heir, because it wa his folly (being of full age) to accept such feoffment. But such folly cannot be adjudged in the heir being within age at the time of the

feoffment.

a principal cause why such her shall be remitted, is because there is not any person against who he may sue his writ of formedon, for against himself he cannot sue, and none other is tenant of freehold;

cant sue yourself for punching yourself in the face,

Class of subject

everyone is bound by a law of domicile, you can know what law anyone is bound by just by asking where do you live, this tells you their jurisdiction

then is you ask what do you do for aliviing within that jurisdiction tells you what capacity that individual is acting as in that jurisdiction, now you know the laws and the capacity that your appoint is bound to by law

judge is different than a cop, different than a citizen, and etc etc etc..

these are all capacities within the main jurisdiction

why the judge asker your lawyer what he did

Citizen being the lowest ranking officer, which is why we dont have a true trial by jury anymore, we have jury service which is an incident for our tenure and the judge is a higher officer who gives orders to the citizen jurists...

Magna carta

Fed up, in 1215 the barons rebelled and pressured the king into signing the Magna Carta, a list of 63 clauses drawn up to limit John's power. It was the first time royal authority officially became subject to the law, instead of reigning above it.

Definitions

1 In this Act,

"conveyance" includes transfer, assignment, delivery over, payment, gift, grant, alienation, bargain, charge, encumbrance, limitation of use or uses of, in, to or out of real property or personal property, by writing or otherwise;
(« transfert »)

"personal property" includes goods, chattels, effects, bills, bonds, notes and securities, and shares, dividends, premiums and bonuses in any bank, company or corporation, and any interest therein; (« biens personnels »)

"real property" includes lands, tenements, hereditaments, and any estate or interest therein. (« biens réels »)

When conveyances declared void as against creditors

2 Every conveyance of real property or personal property and every bond, suit, judgment, and execution at any time had or made, or at any time hereafter to be had or made, with intent to defeat, hinder, delay or defraud creditors or others of their just and lawful actions, suits, debts, accounts, damages, penalties, or forfeitures is void as against such persons and their assigns.

Saving as to conveyances by tenants in tail

3 Where a conveyance made by a tenant in tail is impeached under section 2, it is nevertheless as valid as against the heirs in tail and all persons entitled in reversion or remainder as if this Act had not been passed.

Saving as to conveyances made bona fide and for good consideration

4 Section 2 does not extend to any estate or interest in real property or personal property conveyed upon good consideration and bona fide to any person not having, at the time of the conveyance to him, notice or knowledge of that intent.

How far valuable consideration and intent to pass interest to avail

5 Section 2 applies to every conveyance executed with the intent in that section set forth, notwithstanding that it may be executed upon a valuable consideration and with the intention, as between the parties thereto, of actually transferring to, and for the benefit of, the transferee the interest expressed to be thereby transferred, unless it is protected, under section 4, by reason of bona fides and want of notice or knowledge on the part of the purchaser.

The reason for the birthright /law of reversion

Adam was a man. This means that he was made in God's im-age (Genesis 1:26). So was Eve.

This means that Adam was God's first-born earthly son, the lawful heir to the whole world. God made it for man, and then He placed man over it (Genesis 1:28). All of it. ... It was man's lawful possession, so long as man remained faithful to God.

But Adam sold his birthright to Satan-not for a mess of pottage (a bowl of stew), the way that Esau sold his birthright to Jacob (Genesis 25:29-34). No, Adam sold it for a lie, or at least a half-truth: "You will be like God" (Genesis 3:5). Eve was deceived in this transaction, though disobedience ; Transgressing god law ! Adam knew exactly what he was doing (1 Timothy 2:14).

What was God's response?

To disinherit Adam. He threw Adam and Eve out of the garden. But in loving grace, He clothed them in animal skins (meaning that some animal was first slain by God). He also gave them extra years of temporal life. They lived to like 600 ! But from that day forth, they were legally disinherited children.

So is every man and woman at physical birth and made in God's image, however now we are born as disinherited children.

From : Liberating Planet Earth by Gary North

Think this over carefully ! it is the birthright! , the dominion, the fee simple and the need for the reversion for the promised land ! It is all the symbolical master and be reinheireted , but someone had to pay the price. same process to return to the land

The birthright was given away by us as the donors of the gift of god to us as mankind, and was a sin (transgression of god law ! We were not to sell land) the garden of eden was the promised land the law of reversion gives us the power by christ's redemption to get it back

Christ dying was to reclaim our birthright(for us) — our dominion over the earth ! so the reversion of our land is representative of our being accepted and returning back into the promised land ! the garden of eden and being re-inherited by our acceptance of Christ's resurrection as the statement of claim and is the law of reversion of the land (the garden returned back to the sons of god! As their sins (forfeiting their birthright to the monarchy) are forgiven by the redemption by Christ and our faith in him . (our claim of the law of reversion to our land is now available to return to our chosen land)

It is not the right of property which is protected but the right to property. Property, per se has no rights; but the individual, the man has three great rights, equally sacred from interference; the right to life; the right to his liberty; the right to property . the three rights are so bound together as to be essentially one right. To give a man his life but deny him his liberty is to take from him all that makes his life worth living To give him his liberty but take from him his property which is the fruit and badge of his liberty, is to still leave him a slave Annual address by the U.S. Supreme court to the new York state Bar association January 21 1921 pg 18

Birthright

Leviticus 25:23-28 New International Version (NIV)

23 “The land must not be sold permanently, because the land is mine and you reside in my land as foreigners and strangers. 24 Throughout the land that you hold as a possession, you must provide for the redemption of the land.

25 “If one of your fellow Israelites becomes poor and sells some of their property, their nearest relative is to come and redeem what they have sold. 26 If, however, there is no one to redeem it for them but later on they prosper and acquire sufficient means to redeem it themselves, 27 they are to determine the value for the years since they sold it and refund the balance to the one to whom they sold it; they can then go back to their own property. 28 But if they do not acquire the means to repay, what was sold will remain in the possession of the buyer until the Year of Jubilee. It will be returned in the Jubilee, and they can then go back to their property.

A custom during Abraham’s time was the passing down of birthright blessings. A birthright is a native right or privilege—it is something to which one has a right, by birth. In Bible times, the birthright—which typically included a “double portion” or some other special blessing—was passed down from the father to the eldest son.

Thus, the birthright blessings legally belonged to the oldest son, unless he became disqualified or the process was altered by divine intervention. <https://www.cbcb.org/.../chapter-three-the-birthright-promise...>

Fee simple estate

Estates. From the French, fief. *A fee is an estate which may continue forever.* The word fee is explained to signify that the land, or other subject of property, belongs to its owner, and is transmissible, in the case of an individual, to those whom the law appoints to succeed him, under the appellation of heirs; and in the case of corporate bodies, to those who are to take on themselves the corporate function; and from the manner in which the body is to be continued, are denominated successors. The law dictionary

They claim they descend directly from the garden of Eden through Cain's line, & that Cain's parents were actually Lilith (the female 1/2 of God in Talmudic tradition) & a demon she made (aka the serpent or the devil). [#Hivites](#) [#Phoenicia](#)
[#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

Cain was the first murderer, and one of the [#Hivite](#) mantras is "Murder is death, death is murder" meaning that none of them die a natural death, everyone in the cult is murdered, because they aim to overturn & corrupt everything that is "natural"
[#PhoeniciaisFalling](#)

Later in the line of Cain, we reach Joseph in Genesis (of the technicolor dreamcoat fame, not the step father of Jesus). Joseph marries a woman named Asenath who is a Hivite priestess, described in Apocryphal texts as a "pagan" who undergoes a "ritual" with bee hive elements

This is to 'convert' Asenath from her [#Hivite](#) pagan occultist pedo rapist human sacrificing heritage so that she can marry Joseph. She and Joseph end up ruling over the Isrealites during the exile in Ancient Egypt. [#Hivites](#) [#Phoenicia](#)
[#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

They give birth to a son, Ephraim, and later in this line comes Noah and his wife Naomi of the Ark fame. This is how the [#Hivite](#) culture married into State rule (Egypt) & found it's way into the modern era after the great flood (through the [#Hivite](#) priestess Naomi) [#Phoenicia](#)

Mary, mother of Jesus is descended from Naomi through King David/Solomon. Thus, Jesus, like me, was born into a [#Hivite](#) family & was likely tortured & dissociated as a child just like I was. This practice has perpetuated itself in FAMILIES since Babylon. [#Phoenicia](#) [#Hivites](#)

I believe Jesus woke up from the mind control, started teaching people to resist [#Hivite](#) control, & they crucified him (ritual sacrifice) & co-opted his message of self-reliance/empowerment & personal direct relationship with God and twisted it, just as he warned they would do.

The [#Hivites](#) twisted Jesus' message, which IS THE WAY to break free of the Hivite control mechanisms, and they replaced it with a narrative that served THEM better; one of self-sacrifice and service to evil [#Hivites](#). [#PhoeniciaisFalling](#)
[#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

He was teaching people how to GET OUT of the mind control and resist the [#Hivite](#) civic power mechanisms. By teaching people not to look to other humans as external authority on God, and instead look within because the [#TRUTH](#) resonates, which doesn't require external authority.

The bloodline of the [#Hivite](#) culture by this time had made its way into many families and was expanding across the globe. The ancient [#Phoenician](#) culture was openly [#Hivite](#), with normalized pedophilia and public human ritual sacrifice. All to consolidate civic power and control.

Every royal family on earth, every alternative religion, every deep state ever, every Terrorist organization on Earth, every culture & community everywhere have been infiltrated by these [#Hivite](#) families. That is their method -hide in everything & subvert all to get total control

Many know the [#Hivites](#) by other names, such as "the 13th illuminati blood line" or the "lost tribe of isreal" and they are all connected and coordinated with each other. Even now, ISIS, Antifa, Elites, The Royal Families, the Masons and every other secret society ARE [#Hivites](#)

Their aim is to achieve "the great work" (ie: NWO, one world gov't under "benevolent despotism") - which would only serve THEM in seizing total control of humanity, normalizing pedophilia & ritual human sacrifice, & depopulating Earth through mass extermination of humanity (90%)

They have deliberately obscured their existence and their practices throughout history to ensure their survival and they perpetuate their system in a terrifyingly successful way through torture and mind control of their own children. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#)

My family tells me that we are descended from this same line, from Abraham by way of David/Solomon and on through Mary, mother of Jesus. My family also claim Constantine & Charlemagne (i.e. ROME) as ancestors [#Hivites](#) [#PhoeniciaisFalling](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

My father imbued me with enough information about this group and their lineage to put this all together on my own, from my own memories, and it seems to be confirmed by the evidence that is coming out now. [#Hivites](#) [#PhoeniciaisFalling](#) [#FollowTheWhiteRabbit](#) [#ItEndsNow](#)

So all of these monarchies and evildoers and terrorist are all one group: [#Hivites](#). They hide in EVERYTHING and their goal is to corrupt and destroy everything and anything natural. They model themselves after Bee/Hive themes, they have queens and drones and workers. [#Phoenicia](#)

They are the only terrorists and they are all FAMILY. They lure non-family members into the cult too, but it is families who perpetuate the practice and keep it working in the world through their bloodlines. They obsess over genetics and strictly control who is allowed to "breed"

They intermarry all the time and have several unique genetic markers (like Ashkenazi DNA and Coloboma of the eye). They obsess over the "reptile brain" aka amygdala because it houses the pineal gland (Reptilians anyone?) [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#Welcome2Wonderland](#)

They push false narratives (like reptilians and Satan and whatever works best at the moment) to incite fear & outrage in order to control the masses. They trick the public

into thinking they need [#Hivite](#) leaders to protect them when in reality they only need protection FROM them.

They wrote the Gnostic gospels & (I believe) made up the Annunaki/Nephilum/Reptilians & other false narratives to obscure & hide their existence. They only need the sacrifice ritual to secure and consolidate political and civic power. They are pedophiles and want to normalize it.

They eat flesh and kill babies because it desecrates everything natural. They use blood for parabiosis to try and live forever, but "not dying" to them is not the same as living forever as we have come to understand it. Everything they do and say is SYMBOLIC [#EsotericWidsom](#)

"Not dying" to them means everyone in the cult is murdered, no one dies a natural death. Living forever is in name only. The first death is when your body dies. The second death is the last time someone speaks your name. Whoever is most famous lives longest & is therefore God.

But this is all just part of the false narratives to make them seem superhuman & externally powerful & authoritative - the rituals and practices are nothing more than self hypnosis and mind control of people who were all tortured the same way I was as children. [#Dissociation](#)

In their eyes, This IS the Apocalypse as described in the biblical book of Revelations - Apocalypse = the uncovering of something hidden, a revealing of that which has been obscured. [#Hivites](#) [#PhoeniciaisFalling](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

So the biblical apocalypse is better understood as the [#EsotericApocalypse](#). This will all be revealed now and it will be the end of the world as we know it. We are witnessing the tribulation right now. [#FollowTheWhiteRabbit](#) [#WelcomeToWonderland](#) [#PhoeniciaisFalling](#) [#HivitesGetLit](#)

They play humanity and culture like an alternate reality game (ARG anyone?) and it's ALWAYS a "choose your own adventure" game, where free will reigns supreme & they let you make your own choices (even though heavily influenced by post-hypnotic suggestion) [#MindControl](#) [#Hivites](#)

They are currently staging the final "Epic battle between good and evil" and it will be up to humanity to decide the outcome. They have been luring people into their fold with empty promises of power and immortality. All eventually come to see the big lie - it's all deception.

Because they've not yet been identified as a single group, they have been able to pit humanity against itself with false dichotomies, identity politics (race baiting anyone?), appeals to authority and other fallacies that fuel tension and aggression among the masses. [#Hivites](#).

They goad the masses into killing each other, and they are happy when people die. They want only enough people alive to serve them. When the population grows too large, the people rise up and oppose them, and their constructed civilization falls (Babylon, Egypt, [#Phoenicia](#) etc)

I say [#Phoenicia](#) because this is the last society in which they existed openly and practiced these methods of torture, mind control, and human sacrifice for consolidation of civic power. [#Hivites](#) [#FollowTheWhiteRabbit](#) [#WelcomeToWonderland](#) [#ItEndsNow](#)

A [#Hitive](#) named [#Zoroaster](#) brought this practice into what is now Iran (ISIS anyone?) and the Zoroastrian theology is very close to the doctrine they follow today = Dualism. [#Hivites](#) [#PhoeniciaisFalling](#) [#Welcome2Wonderland](#) [#FollowTheWhiteRabbit](#) [#ItEndsNow](#) [#SayBraveThings](#)

They have infiltrated our government at all levels including the military, and they have been actively working to euthanize 90% of humanity. They are into epigenetics and eugenics and illegal human experimentation (MKUltra anyone?) [#ItEndsNow](#) [#PhoeniciaisFalling](#) [#Wonderland](#)

, the new Saudi crown prince Mohammed bin Salman, Vladimir Putin, and the leaders of China, S Korea, Phillipines, and Japan are ALL working together to fight them and give control back to the people. [#PhoeniciaisFalling](#) [#HivitesGetLit](#) [#ItEndsNow](#) [#SayBraveThings](#)

That's [#hivites](#) in a twitter nutshell. I am happy to answer any questions you may have, as best I can. I am choosing to speak about this because I hope by NAMING it and bringing it out into the light (Revelation) this evil practice can finally STOP and humanity can survive.

Some additional thoughts: they use symbols like the butterfly to denote Monarch MK ultra programming. They use cats to denote Beta sex slave mk ultra programming. They call themselves Lions, Snakes, and reptiles. They worship will and intellect above all and are Godless. [#Hivites](#)

You may also know the [#Hivites](#) by other names: freemasons, illuminati, Khazarian, Ashkenazi, Antifa, Isis, Mormon, Scientology, Roman catholic, Muslim brotherhood, CIA, monarchy, deep state, shadow government, luciferian, etc. They will never identify themselves as [#Hivites](#)

Currently, as far as I can tell, they call themselves "OLD SCHOOL" [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#pizzagateisreal](#) [#SurvivorsUnite](#) [#followthewhiterabbit](#) [#Welcome2Wonderland](#)

They claim to follow the "true" religion of Abraham, and they describe Abraham as a "friend of God" which should be taken literally, as if Abraham was "God's" contemporary. They also call themselves "Children of God" and "The Family" [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#)

They do a self sacrifice and rebirth (resurrection) ritual. Once you complete it, you are "Born Again" in the awareness of the cult. From what I can tell, I believe that, to them, I've done this now by waking myself up from the mind control. [#Hivites](#)

They are also responsible for the New Age movement, Born Again Christianity, and likely all of the cults you are familiar with. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#pizzagateisreal](#) [#SurvivorsUnite](#) [#followthewhiterabbit](#) [#Welcome2Wonderland](#)

All of their methods are just mind control. I do not believe they wield any real, metaphysical power. I believe their rituals give the members a false experience, through drugs and self hypnosis, that make members FEEL something that they then gaslight you into believing is real

I also know for a Fact that faith in God as described by Jesus & following Christ-like principals is the ONLY way to survive & break free of this cult. They use vice & desire to ensnare you. They leverage relationships and attachments to control you. CHRIST SHOWED HOW TO RESIST.

You don't have to believe Jesus was the son of God to follow christ. The teachings and words attributed to Jesus are what matter most for breaking the psychological chains of mind control these people use. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#pizzagateisreal](#) [#SurvivorsUnite](#)

Here's a [#Hivite](#) doozy of a lie: G.O.D. = Guild of Doom. One head at the top of the pyramid is God (most powerful hivite aka most awful person of them all who's done any and everything to gain that position) 12 other heads at "the table" then on down the pyramid from there.

What I think this means is that there was a dude who could do these mind control tactics. He taught them to Abraham and convinced him it was a supernatural power. I'm struggling with my faith and understanding of God because of the spiritual abuses I suffered.

I believe there is one true God and I believe Jesus taught us how to connect with God directly, which saves us from looking to the [#Hivites](#) to tell us what God is or wants. The [#truth](#) resonates. We all must look within for these answers, not without, lest we become controlled.

Also, you can spot a [#Hivite](#) pretty easily. They usually have ancient symbols tattooed on their bodies, especially Phoenician & Egyptian symbols, or runic & viking symbols, anything ancient & esoteric is what they cling to [#Hivites](#) Know how2 spot them them, know how2 stop them

You can also spot a [#Hivite](#) by their behavior. They use mind control tactics (look this up to guard against it). They talk fast, pressure you to make decisions, they throw you off & then ask you to make split decisions [#mindcontrol](#) [#HivitesGetLit](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#)

They use neuro-linguistic programming tactics and are often in positions of authority (addicted to serotonin, dopamine, and adrenalin) they are rude and uncaring, fake, and dishonest. LEARN HOW TO SPOT THEM, LEARN HOW TO STOP THEM. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#MAGA](#)

They gravitate to sales and often are in the real estate field. Beware anyone who talk s too much and then pressures you to make a decision, especially a big one! This is suggestion and mind Control! [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#followthewhiterabbit](#) [#wonderland](#)

Here you go! I found the thread.

Literally lol

so there never is an acceptance evident by the fact that no donor has participated or full disclosure was ever presented. The date signifies an event witnessed which is only about a volunteered joining of a date, not an agreement.

Pg 590 No remitter if one estate be at common law and other under stat of use.

The reason is no folly can be attributed to the infant in accepting the feoffment at the time it was made. Hence therefore, in this case the law respects the time of the feoffment, and not the time of the death: and albeit the infant might have waived the estate at his full age, yet [seeing that would be to his loss and prejudice, he shall have the benefit of the feoffment till his ancestor's death, when] the right of the estate tail descending on him either within age, or of full age, shall work a remitter [to his estate in tail]. But since littleton wrote, there is a great alteration in remitters by the statute of uses H.8.c.10; for if a tenant in tail now make a feoffment in fee to the use of his son (within age) and his heirs, and dies, and the right of the estate tail descends to the son within age, yet he is not remitted, because the statute executes the possession in such plight, manner, and form, as the use was limited; [whereby the issue is in, not of the estate discontinued, but of a new use under the statute]. But if the issue in tail in this case waives the possession, and bring a formedon in the descender, and recover against the feoffees, he shall thereby be remitted to the estate tail; otherwise the lands may be so incumbered that the issue in tail would be at great inconvenience; but if no formedon be brought, and that issue dies, his issue shall be remitted; because an estate in fee-simple at common law descends upon him.

coke upon littleton

It's hard, you can't make this BS up yet everyone believes it's real
And will force you to comply with their fictional matrix if we don't do certain things to unplug

The Registration

The registration is not your folly until seven yrs of age. After it is accepted as your in if something did not happen. Which it did not. So the only thing now is reversion. The birth certificate is your receipt for your legal title of corp duties. And also your receipt of the warrenty to your original agreement. Would be my short answer
It's never your folly unless you accept it at full age with full knowledge
coke upon little around of pg 350 ? Not your folly the law takes the date of joining not the date of acceptance

The acceptance is does not comply with full disclosure they can't use it
Why they have to use the parent

It being our right to claim lands
Natural rights are life liberty and LAND
Not property, property is a use for a fee

from a primitive contract by which men are supposed to have agreed to the principles of justice in their dealings with each other- a contract that they could never have entered into, without knowing those principles and the assumption of which consequently involves a petitio principii magna carta the primitive contract see what laws the guardian must follow

Introduction

Jurisdiction is land and you granting it away by becomes a corp person for a jurisdiction unit

Once you stop being that corp person (deforced) then you can claim land and the equity for the waste attached

To those lands

The land tenure is each individual granting a use for a fee to the monarchy not the government

We give acceptance of our parents granting it on our behalf, by becoming corp person, remove that acceptance, you remove the corp person and the disability of municipal law (equity) . And now stand in your proper capacity as donor deforced

Claiming your land

You can only create your own, in a jurisdiction that you are supreme, Sui juris and your own territory

In other words it is natural law that actually says if you join another as in a group all in that group combine their lands to be one territory, And when you leave you pick lands that are not group dependent for survival

Release

must have sent in the releases,
wonder if one forced it, and served the release in person and
demanded a meeting with the seal holder within 20 days for
confirmation of said release or court action.?
once that release is done and confirmed with the seal, your claim for
land is guarantee

The 3 levels the donor, fee simple and the donee repeat through out the laws with different words in different jurisdictions in each to describe the 3 levels of power. The power is the power of the position which can be delegated or appointed

First is the donor who donates his power over his estate with a reservation of right of reversion called a life estate. "Donor" means a person that creates a power of appointment.

Second is the trust created in fee simple (in trust) by that donation and charged to protect that land right with an Exclusionary power of appointment" which means a power of appointment exercisable in favor of any one or more of the

permissible appointees to the exclusion of the other permissible appointees

Third is the donee in whos name the donation of the life estate was given to use the estate for life for a period of time with a power of appointment to transfer it to another at will.

The key to the 3 levels is the relationship of the bearer of the power to the land right donated. Does he just hold(in trust) the res(property) account in rem for the owner (in fee simple) or is he the absolute rightful owner with the power of disposal meaning jurisdiction, capacity and duty over it. or is he just using the estate for a time til the donor returns or dies and passes the power on by descent ..

Remitter

pg 589 Remitter prevents circuitry of action

A remitter is an operation in law upon the meeting of an ancient right remediable, and a later estate in one person without any folly in him, in this case the ancient right is restored, and the new defeasible estate ceased and vanished. And the reason hereof is, for that the law prefers a sure and constant right, though it be little, before a great estate by wrong which is defeasible: moreover the law (which abhors suits of vexation) ever voids circuitry of action, for the rule is circuitus est evitandus, and it is observable that the remitter is of the later title to that which is more ancient, and when two rights descend there can be no remitter if one cannot be remitted to the other, and regularly to every remitter there are two incidents, viz, an ancient right and a defeasible title united together [in the same person in the same right]

Remitter operates on seisin in law and is preferred to infancy and coverture

Is quite taken away and defeated] Here two things are implied and to be understood: 1st ,that this remitter is wrought by descent of the freehold simply without an entry of the issue, and 2dly, that the law favors remitter (being a restorer to right), that is the discontinuee be an infant or a feme covert, the issue shall be remitted without respect to the privilege of the infancy or coverture; and therefore our author says, the title and interest of the discontinuance is quite taken away and defeated.

everyone seems to be doing this
