PRAISE...

"My experience with Pamela was nothing short of life-changing.... I was able to . . . understand the process legally, and most importantly, spiritually. I learned to fine tune my energy and spirit so I could have better communication with my husband -- which after divorce, led to a reconciliation! It was a beautiful process and I recommend Pamela for anyone going through such a horrible time in their life. Her abilities to guide one spiritually, along with her incredible knowledge of the legal divorce process, is nothing short of extraordinary." Stacey

"Every divorce should be handled in this manner. So much trauma could be avoided. Thank you, Pamela, for providing a safe place to process, heal, and allow my soul to take the wheel. What a wonderfully enlightening experience." Mary Ann

MEET PAMELA

Pamela has been a divorce attorney for 25 years. When she dared to integrate her intuitive gifts and spiritual insights into her legal practice, magic happened for her clients. Pamela now works with women experiencing divorce to gain legal insights that empower them, as well as spiritual insights that shift the drama of divorce into a sacred journey - a catalyst for the soul's evolution - so they can move through divorce with clarity, grace and ease, find true healing, make aligned decisions, and begin co-creating the abundant life their souls are leading them to discover. It is Pamela's mission to shift the perception of divorce from a fear-based process into a sacred love story of the soul, and to evolve the way individuals and families perceive and are treated in divorce.
