SELLER RECOMMENDATIONS

- The kitten should be isolated from other pets for at least one week to acclimate to its new surroundings.
- Any changes to the kitten's diet should be made slowly as sudden changes may result in episodes of diarrhea and stress.
- The kitten should be given frequent and kind human attention with a generous amount of play and exercise.
- The kitten should not be caged with the exception of short-term confinement if necessary – and with a litter box, food, and water provided.
