2. Competition:

- **a.** Competition will be conducted in the following Categories:
 - (1) Team Exhibition Drill, Armed and Unarmed
 - (2) Team Regulation Drill, Armed and Unarmed
 - (3) 4 Person Exhibition Drill, Armed and Unarmed
 - (4) Color Guard
 - (5) Individual Drill Down, Armed and Unarmed
 - (6) Commander, Armed, Unarmed, Color Guard
 - (7) Sweepstakes

3. Competition Rules:

a. Starting times will be determined by drill meet coordinators one to two weeks prior to competition. <u>Schools must check in a minimum of 1 hour prior to first start time</u>. Teams also will report 15 minutes prior to their start time on the prospective drill pad. If unforeseeable problems arise, please contact the drill meet coordinators.

- **b.** Commanders will check in with the Head Judge before each of their events. At this time they or the Head Judge will print their name legibly on the score sheet and receive instructions for commencing their performance.
- **c.** Schools are permitted to enter only one team per category. This is an attempt to promote higher participation from many schools.
- **d.** Since more than one branch of the military will be represented by the cadets competing in the meet, judging must be simplified. In an attempt to make judging as equal and simple as possible, the judges will be instructed that each branch may execute the individual commands and movements differently. However, as long as each team member properly executes the movement in the same manner as the rest of his/her team, there will be no deductions made.
- e. The minimum team size for both armed and unarmed "Big" teams is 10 (A commander and 9 other team members). A five (5) point penalty will be assessed for each member that a team is short of 10.
- **f.** All team members who will be competing in any portion of the drill meet must be present for the Inspection Phase. Team rosters will list all participants.
- **g.** All uniforms will be at the discretion of the individual schools competing in the meet. Uniforms must be based on current or obsolete service uniforms. They do not have to be complete or worn in accordance with service uniform regulations. Nonstandard items may be worn subject to the following restrictions:
 - (1) Army units will not wear berets similar to Army units, i.e. black, green, maroon or tan.
 - (2) Teams will not wear any service's item which identifies an officer's uniform, i.e. black trouser stripes, hat eagles, branch insignia, gold hat bands, officer/warrant officer garrison caps, etc.
 - (3) Teams will not wear anything that is an award, or distinctive unit item in any service, to include the pale blue infantry cord.
 - (4) JROTC items may be worn without restriction concerning placement or authorization. For example, all team members might wear "team rank" instead of their actual cadet rank; all team members might wear ROTC lapel brass, even though they are not officers. Unit crests may be worn without restriction.

- (5) If JROTC awards are worn, it will be as prescribed by regulation.
- **h.** Reporting in and out shall be done in the following manner:
 - (1) "Sir/Sergeant or Ma'am, ______ High School JROTC is present for ..."
 - (2) "Sir/Sergeant or Ma'am, ______High School JROTC, request permission to exit ______sequence."

Reporting in and out should be directed to the judge's table.

- i. Weapons for teams participating in the armed phases of the drill meet will be regulation service drill rifles. <u>Lightweight weapons are not permitted.</u>
- **j.** The only persons allowed on the Inspection and Drill Pads will be judges, meet officials, and the performing team members. <u>Violations will result in</u> <u>disqualification.</u>
- k. No coach, parent or team member will "Signal" the team or otherwise try to influence the time of performance or sequence. <u>Violations will result in disgualification.</u>
- **1.** If any school wishes to change the time of any of their events during the day of the meet, they must speak to the Drill Meet Coordinators. We will attempt to accommodate if possible.

4. Judging:

- **a.** Judging will be done by representatives of any military unit available, recruiting commands or cadets from Senior ROTC Units.
- **b.** Disinterested individuals will accomplish computation and verification of all scoring sheets.
- **c.** The decision of the judges as to scoring and penalties will be final. In the event that a school wishes to challenge a ruling of the judges during the meet, the following steps will be taken:
 - (1) The school will address the issue with the Drill Meet Coordinators.

- (2) The Chairman will address the issue with the judge(s) involved.
- (3) The coordinators of the Drill Meet will meet and decide what action, if any, will be taken.
- (4) The Drill Meet Chairman will advise the school and judge(s) of the ruling.
- **d.** If the issue at hand is due to a possible error on the judge's part, i.e. inappropriately timing an event, the team may be given the opportunity to perform again. If it cannot be confirmed that there was a judging error, the team <u>May</u> still have the opportunity to perform again. However, a penalty of up to five (5) points may be assessed at the discretion of the meet officials.

5. Security and Safety

- **a.** Security of weapons and equipment is the responsibility of each individual team. **Neither the American Legion nor any division thereof will be held responsible for any lost, stolen, or damaged items.**
- b. Safety is the responsibility of each individual both on and off of the drill pad. <u>ALL</u> accidents <u>WILL</u> be reported immediately to the Drill Meet Command Post.
