

## MESSAGE: Destiny Is Calling You

---

**Jeremiah 1:5 NIV** - Before I formed you in the womb I knew you, before you were born, I set you apart; I appointed you as a prophet to the nations.

The scripture let believers know that their lives are not accidental but designed with a [specific divine plan](#). God knows and has a purpose for every person before they are born. It is often used to signify that all individuals are created by God and known by Him before conception.

**Jeremiah 29:11 NIV** - For I know the plans I have for you, declares the Lord, plans to prosper you, and not to harm you, plans to give you hope and a future.

This scripture teaches reliance on God during difficult times with the promise of a "future" (an expected end) to those who turn to HIM and trust HIM.

The message today is, **DESTINY IS CALLING YOU!**

God is burning away the counterfeit supports in your life and clearing the field.

Stop trying to make peace with mediocrity. Stop trying to convince yourself that settling is wisdom. Stop trying to suppress your "DESTINY".

That restlessness is your gift refusing to [let you sleep through your own life](#). Relationships that used to bring comfort [now feel suffocating](#). Jobs that used to be tolerable [now feel like prisons](#).

Patterns in your life that used to serve you [now reveal themselves as chains hindering you](#). Friends who used to understand you [now seem to speak a different language](#).

This is not failure; this is not your life falling apart. [This is the gift that God assigned to you and it is dismantling everything that is not aligned with you true calling](#).

Tearing down the false structures, burning away the counterfeit supports, clearing the field [so something real can be built](#).

Don't fight this process. Don't try to glue back together what is meant to shatter, [Trust the destruction because it is making room for your transformation](#).

You have been receiving information, ideals and visions that feel more real than reality. Knowing that you can't explain but you can't deny them. [Suddenly obvious creative expressions demanding to be birthed in you](#).

These are not fantasies, these are not delusions, [but these are transmissions from your highest inner self, instructions from your gift and blueprints for your next level](#).

[Your Destiny Is Calling You Forward, stop trying to suppress it](#).

God does not give you "Gifts" and "Visions" to torture (tor chr) you. They are given to guide and prepare you to activate the "FAITH" required for you to walk into your greatness, purpose and will of God for you.

You have not been forcing yourself to be better, [but it is just happening naturally](#). This is the God-given gift [rewiring your system, upgrading your operating system and recalibrating your life](#).

[This is God sorting your life by removing who and what that doesn't match where you are going. Let them go, bless them, thank them for being part of your life at that time but don't chase them or beg them to stay because the ones meant for your next chapter will arrive when you need them](#).

## **MESSAGE: Destiny Is Calling You**

Finally, these are signs of transformation, Spiritual Discernment and recalibration for your gift. This means your gift is moving from dormant to active, from sleeping to awakening and the final phase is the “Activated State”, taking the next step by “Faith”.
