We want to thank you for supporting our Foundation through donations to our yearly golf scramble at Bay Point. Your generosity has helped put books in the hands of young readers in your community. Reading is the foundation for learning and through your support you are making access to literature equitable. We are forever grateful that you help the legacy of Addie and Baylor live on. With your help we have been able to:

- Host 6 Scholastic Book Fairs at local schools
- 2000 books donated to FLOW Our Free Library on Wheels
- 500 books donated to St. Bernadette Preschool
- Renovated Beach Elementary Library with a partnership with St. Joe Community Foundation

AND OUR BIGGEST NEWS YET!!!!

The Addie and Baylor Kirchgessner Foundation has brought Dolly Parton's Imagination Library to Bay County!!!! The Foundation covers the cost for every child in the county from birth to 5 to receive a free book each month. By the time a child ages out they will have received 60 free books they can read before kindergarten! We could not do this without your donations and support!

Thank you for your ongoing support making last year a record year. We look forward to putting many more books in the hands of young readers in your community! And lastly, thank you for always keeping Addie and Baylor's memory alive.

Mark your calendars:
