Agenda item: 5. a.

TO: Fire Board
FROM: Chief Wisner
DATE: Oct 14, 2020
SUBJECT: FIRE CHIEFS REPORT for September 2020

1. Call Report: – Total Calls - 41 Total through September – 373 YTD Total: 396

31- Calls for service in Star Valley, 10 - Calls for service in St. 22 and 23 areas,

3 - Mutual Aid Given (1 Fire/PFD) (1SD/PFD)

6 - Mutual Aid Rcvd. (3MVC/PFD) (2EMS and 1MVC/CKFD)

EMS -24 - MVC -7- Fire -3- Haz-Mat -0- Other -2- Special Duty -3-

Burning Permits Issued: -0- Total through September - 112 YTD Total: 112 (suspended 4/22)

Building Plans Reviewed: -3- with –7,272- sq. ft. – Total through Sep – 44,157- sq. ft.

Water Usage: - 2,000+/- gallons. Total for 2020: 11,650 gallons

2. We have 6 Suppression Full-time, 1 Administrative Full-time and 7 Reserve FF's.

3. Wildland Division – Currently we have no engines or crews assigned to wildfires.

4. Grants – I am currently waiting to hear back on the following grant requests:

FEMA Fire Act/AFG Grants - \$413,000 approx. for a new water tender.

Gila River Indian Community - \$49,507.00 for a new SCBA air compressor system. You should have been notified that this grant was received. I plan to leave the selection purchase and completion of this project to Chief Morris and operations staff.

11. New Gila County Treasurer Error –Business Manager Angela Lecher has informed me that due to a tax collection and distribution error I mentioned last month, \$588 has been removed from the District's warrants account. Other fire districts report up to \$16,000 being removed from their accounts. This apparently is tied to how much solar energy projects exist in the district and a tax credit that was due to those property owners. We do not expect additional amounts to be taken.

12. Major Call Activity – E211 responded into Payson for a large propane tanker truck rollover. While E211 was assigned to the tanker rollover, Payson engines covered several EMS calls in our district.

13. Station 22 – The USFS Engine 1249 and crew are still assigned to work out of Station 22 due to COVID19 and the USFS policy of separating crews. They have assisted with several projects at the station. We are fortunate to have the engine and crew in the area due to the high fire danger.

14. Vehicle Maintenance Issues – Both of our Type 3 wildland engines have been repaired and are available. Ladder 211 is awaiting minor parts to replace some that are failing on the ladderway. C211 is experiencing Turbo issues and is scheduled for repair.

15. Horton Fire – The Horton Fire was discovered today and is burning in the Horton Spring area. Hellsgate assisted Christopher Kohls by loaning a pump for the helicopter dip site operations. Chief Morris and myself visited the dip site and the operations there.

My understanding is that USFS and other resources on scene believe they will be able to contain

the fire without further spread.

16. Final Comments – This is my final Chief's Report and you will receive your next report from Chief Morris. I can proudly say in my opinion the fire district is in a far better position financially than when I became Chief. Our stations are meeting the mission of the district and upkeep is being prioritized so that they continue to meet the districts needs. Likewise our apparatus fleet is aging and our repair budget continues to grow to keep the fleet running but it too is meeting the current mission needs. Our career personnel are taking on every challenge and mission with a can-do attitude and continue to serve with pride and professionalism every day.

I leave the district with the peace of mind that it could not be in better hands under the leadership of Chief Morris, our great fire board and our Business Manager Angie Lecher.

It has truly been an honor to serve Hellsgate Fire District.
