JOMAH ENTERPRISE INC HISTORY!

THE ORIGIN AND VISION OF JOMAH ENTERPRISE, INC.

Jomah Enterprise, Inc. was founded in 2001 in response to the heartbreaking plight of a young girl named Klubo. At just 8 years old, Klubo had lost both her parents to the devastating civil war and was living with relatives who subjected her to harsh treatment. Instead of attending school, she was burdened with responsibilities well beyond her years—cooking, cleaning, and washing clothes. Despite her circumstances, Klubo had an eagerness to learn but was denied the opportunity to pursue an education.

Klubo's story was not an isolated one. Everywhere I looked, I saw children forced to bear the weight of responsibilities meant for adults. Children became breadwinners, selling goods on the streets to provide food for their families. Witnessing these realities was both heartbreaking and infuriating—children who should have been nurtured and protected were instead thrust into survival mode, denied their basic rights to safety, love, and education.

After my father's burial, I returned to the United States with a single goal: to help one child. I believed that if I could make a difference in just one life, I would fulfill the purpose God had for me. But God had bigger plans. He revealed to me the larger vision that my late father had been striving to accomplish—building a foundation that would provide education, stability, and opportunity to the children and community of Sinoe County.

Serving the community
since 2020!

JOMAH ENTERPRISE INC HISTORY!

THE CHALLENGE AND THE VISION

Imagine a newborn brought into this world, relying entirely on parents to provide love, safety, and a nurturing environment. What happens when these basic needs go unmet? Such children are left to fend for themselves, often falling prey to the dangers of neglect, abuse, and exploitation. Tragically, when these children grow up without love and guidance, they are unable to give what they were never taught or shown.

At Jomah Enterprise, Inc., our mission is to break this cycle. We aim to provide children with the essentials they need to thrive:

Basic Needs: Ensuring children have food, clothing, and shelter.

Education: Offering access to quality schooling and learning opportunities.

Love and Belonging: Creating a community where every child feels valued and supported.

Our ultimate goal is to create a safe and nurturing environment where children can grow into empowered, contributing members of society.

A Growing Vision with Endless Potential

Jomah Enterprise, Inc. is still in its early stages but holds immense potential for growth. The unmet needs in Sinoe County are vast, and our organization is committed to addressing them. Beyond helping children who have lost loved ones, our vision includes creating opportunities for employment, advancing local development, and building a brighter future for the entire community.

This is more than just an organization—it is a movement of hope, resilience, and transformation. By investing in the lives of children and the well-being of communities, Jomah Enterprise, Inc. seeks to honor the legacy of compassion and progress my father envisioned. Together, we can build a future where every child has the chance to thrive.
