It's time for us to share some news.

As of Dec 21, Jim and I will no longer be the owner/operators of rhubarb restaurant. We have had a great 13-year run and now it's time to start a new chapter.

It is impossible to put into words how grateful we are to everyone who has been part of this adventure over the past 13 years - guests who have become friends, people from near and far passing through, our team members, suppliers, local producers, musicians, wine makers, brew masters, distillers, artists, our families - everyone has played a part and it has been a wonderful experience.

We would also like to thank Oceanstone Resort for being great neighbours. It's been a pleasure working side by side on what can only be described as a magical space.

We are excited to share that we have found a lovely spot in beautiful Liverpool NS to keep doing what we love to do, creating simple good food.

We will look forward to welcoming you to our new joint at 343 Main St Liverpool NS early next summer. New name announcement coming soon 😊

In the meantime, we look forward to a fall filled with live music, good food, warm biscuits, tasty drinks, cozy vibes and you!

With heart felt thanks from

Jim & Diane and the rhubarb team.
