vegan carrot cake 9

Guests have been known to come here just to get this cake.

gluten-free flourless torte 9

Always available, but never the same. We change the flavors of this dense, creamy dessert regularly. Ask your server about today's selection.

beer float 10

Belching Beaver Peanut Butter Milk Stout and vanilla iced cream.

cheesecake of the day 9

Flavors vary; ask your server about today's selection.

juju's frozen custard 9

Available by the pint, so you have enough to share - even if that's with future you on the couch at home. We make this frozen custard 5 doors west at our sister shop Juju's Iced Cream & Frozen Custard.

Flavors vary, so the selection varies.

Or take a walk down to Juju's for a wider selection of frozen treats. It's about a 58 steps.

et cetera desserts, etc...

We are constantly testing new desserts so there might be something unexpected (but still tasty!) Once again, ask your server about today's selection.
