

Dear Kim,

I don't know exactly who sent you to earth or put you into my dad's life, but I cannot begin to measure the companionship, understanding, love and dignity that you gave to him in the last year and a half of his life!

You give so much of yourself to others and their families - [redacted] and I am so lucky to have experienced your incredible support! YOU were exactly the person we all needed by our sides through the storm!

This gift is presented to you as a small recognition for the priceless gifts you gave to us at such a challenging time in all of our lives! I also want to acknowledge your amazing family, who understands how much you give and mean to others, at critical points in their lives!

On behalf of dad, [redacted] and myself - a heartfelt thank you!! ☺ You are a precious gem Kim!

Much love,
[redacted]
