

Kim, you have a gift! My mom can't stop talking about you and how happy she is to have you coming.

She is really wanting me to see if you would be willing to come 3 times a week.

She actually asked if you could just be full time with her, but I explained the reality of you starting a business and also her finite financial resources.

Anyway, would you like to look at your schedule and see if you are interested and available for 3 visits a week. If you are able to manage it, they can be on whatever days work best for you. I was confident things would go well once my mom met you, but she has pondered even more than I anticipated! Like I said, you have a gift. 😊
