username[🎧]

I understand egos' are high, no worries. This letter would serve as a safeguard , protecting years in the making.

I'm here to tell you that you are ready for more & will guide you & humanity during this new level up.

Take a pause , you're not needed. Although you are welcome to the gains of engaging with a network & her love for music, which could be appreciated **& might even benefit you.**

As our mission is to amplify the style of communication via music, a quick & entertaining learning curve is involved.

You'll get the value during & post your review. **Good luck!**

What I'm giving.

How you should approach this.

Your "fame" has made you forget what "fame" is. Other platforms have done their best separating you from the pack with a verified badge. 

A network there to amplify their style of communication via music in the form of vibes would give you the opportunity to enter with further engagement on songblr in the form of

- a post
- a blr
- lyrics
- lyrical sound bites
- your songs
- Music videos
- Album covers , Album booklets PDF
- 3- 28 sec from your songs
- **VIBES** NEW 3-28 sec. inspirations you would create , **complimented by a KEYWORD.**

would be synonymous to a **red-carpet** appearance. Compared to engagements on other platforms where communication is standard generic, songblr **is a lifestyle.**

Verified on songblr means that you have proactively attempted to inspire by means of creativity ~ while offering the same guarantees of credibility & perhaps the influence a profile or account would have on, or towards their respected social networks & platforms.

Here's what you get on songblr

- A new studio
- new profile attributes
- your own ticket booth & store
- lyrical sound bites ~ VIBES
- a verified badge in the form our throwback CD 

the opportunity to enter a state of reflecting ~ on how your inspirations & creativity can be included within a post or message. Since all your used too, is appreciation in the form of listening. **You are ready for a new kind of "Fame" where society isn't just listening or being entertained , they are now ENGAGING with your creativity becoming an extension of you. what brand t shirt did you wear this morning... GUCCI!**

Note: **More money than you think** or could have thought was possible with just a couple seconds!

 Lyrics for girlfriend & messaging

 Home

hi

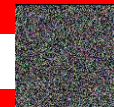

ready to blr

Ball so hard

That shit crazy

I get the bag & flip & tumble it
