The Citrus County Foster Parents Association is a 501 C3 organization, that strives to provide our local foster, adoptive and kinship families with, not only essential items, but with the support and encouragement needed to enable each home with the feelings of family and normalcy. Our Association promotes many family events throughout the year, such as; bowling nights, trips to petting zoos and other local attractions, week-end family picnics and special holiday dinners. We also ensure that all our children receive back-to-school clothing and supplies, ample gifts at Christmas time and so much more! The Association also provides a summer trip, for the whole family! All events are completely free for our families! Therefore, the need for ongoing sponsorships is great, not only during the holidays, but all year long!
