"Supporting foster, adoptive and kinship families since 1981"

To whom it may concern,

On October 28th, 2023 the Citrus County Foster Parents Association will be hosting our 2nd annual Charity Golf Tournament, to benefit local children and families involved in the Florida State Foster System. We are actively looking for all types of donations and sponsorships, to be used either as raffle items and/or to be used to directly benefit our families. All donations are greatly appreciated!

We have multiple unique sponsorship opportunities available!

Please see the attached sponsorship application, for a full list of opportunities!

The Citrus County Foster Parents Association is a 501 C3 organization, that strives to provide our local foster, adoptive and kinship families with, not only essential items, but with the support and encouragement needed to enable each home with the feelings of family and normalcy. Our association promotes many family events throughout the year, such as; bowling nights, trips to petting zoos and other local attractions, week-end family picnics and special holiday dinners. We also ensure that all our children receive back-to-school clothing and supplies, ample gifts at Christmas time and so much more! The association also provides a summer trip, for the whole family! All events are completely free for our families! Therefore, the need for ongoing sponsorships is great, not only during the holidays, but all year long!

Thank you for your time and consideration in sponsoring our 2nd Annual Charity Golf Tournament. It is sure to be a memorable day of laughs, community and of course, GOLF!
