

# BENT COUNTY DEVELOPMENT FOUNDATION

December 2018

## SAMMIE GEORGE HIRED AS NEW EXECUTIVE DIRECTOR

“I am honored to be a part of the Bent County Development Foundation. I grew up in rural Colorado, and I understand the importance of growth and development in our small communities; which hinge on the foundation of our proud histories, and those who have come before us. Moving forward, we all have the opportunity to explore new ventures and avenues of economic growth and development; and I am excited to be an integral part of that movement.”

*Sammie George- BCDF Executive Director*

## LOOKING FORWARD

The new year brings about the opportunity for us all to reinvest in our communities. Highlighting the numerous unique opportunities that lie within Bent County will be the focus of the BCDF.

### Some new ideas for 2019!

#### “Business of the Month”

Qualifying businesses will have the opportunity to be selected for this bi-monthly award. If selected, they will receive advertising through the BCDF, be given a certificate of recognition, and a banner to be posted at their business location for a few weeks.

#### Community Round Table

An informal opportunity for community members/businesses to speak up about needs within the community, discuss potential business ideas, and to have the opportunity to network and set up one-on-one meetings with our Director.
