PROUD TO BE AN AMERICAN

Being an American affords us a lot of privilege. We have the freedom to make decisions and choices for ourselves. We are blessed to have the opportunities to build our own business, or to work in whatever capacity suits our individual personality and strengths. There are those that are called to serve and protect this great nation, and they deserve our honor and our respect. We as citizens have the responsibility to make the most of what we are given, and to show our American spirit and pride by constantly working to become better.

Sammie George- BCDF Executive Director
