

# Central Florida Miracle League: Field Campaign

The CFL Miracle League has been able to run a successful baseball program for individuals with disabilities from different communities for over 15 years. This year we are eager to provide new and returning players with the same fun and excitement as years past. But we need help from our community; our field needs to be replaced, dugouts need repair and we currently have no accessible restrooms.

On behalf of CFL Miracle League, we are asking for your support.

Would your business consider to partner with us? Your generous support will help us to:

- ◆ Fund the resurfacing/replacement of our field with a customized synthetic field
- ◆ Fund the construction of a handicapped accessible restrooms near our field
- ◆ Increase player membership
- ◆ Fund scholarships for those in financial need

We have a variety of sponsorship levels. This is your opportunity to support and give back to this community that most often gets overlooked or excluded from conventional baseball leagues.

Please review the Sponsors Levels and select which Level is best and send an email to:

**info@cflmiracleleague.com** - Your Company Name, Phone, Address, Email and Contact Name and Level of Sponsorship.
