## MULTI-ENGINE PROGRAM

Commercial/Private Add-On, Time Build, and More!

*The next generation of TRA is here! Three Rivers Aero is excited to launch our Multi-Engine Training Program, now offering Multi-Engine Add-Ons, Multi-Engine Instructor (MEI) training, and structured Multi-Engine Time Building opportunities. Designed for pilots ready to level up, these programs combine real-world experience with professional, safety-driven instruction.*

# THREE RIVERS AERO

## MULTI-ENGINE ADD-ON/ MULTI-ENGINE INSTRUCTOR

**\$5,200\* 3 Day Course**

*Includes:*

*6 Hours of Flight Training Time*

*1 Hour for Checkride*

*2 Hours of Ground Training*

*Exclusive Course Resources*
