

PRIVATE PILOT COURSE

Our Private Pilot Program is the perfect launchpad for aspiring pilots, offering top-tier training, unparalleled facilities, and a smooth path toward collegiate aviation programs. Whether you're looking to fly for fun or planning to continue your aviation journey at the collegiate level, we've got you covered.

WHY CHOOSE US?

Brand New Hangar & Premium Facilities

Located just a short distance from Kalamazoo, our hangar is equipped with everything you need to succeed. Enjoy access to:

- **FAA-Approved Simulator**
- **Spacious Student Study Lounge**
- **Designated Briefing Rooms**

All designed to maximize your learning and comfort.

Modern Fleet

With **state-of-the-art avionics**, your training will be seamless and efficient—perfect for transitioning to collegiate training programs.

Exclusive Course Syllabus & Ground School

Our **exclusive free ground school** is held weekly, providing comprehensive, interactive lessons that reinforce flight training. Gain a deep understanding of aviation alongside fellow students in a collaborative environment. 1-1 ground instruction is also available. With our comprehensive course syllabus, we combine organization with cost savings.

Experienced, Professional Instructors

Our certified instructors are dedicated to your progress. With years of professional experience, they provide personalized attention to help you achieve your goals safely and efficiently.

Flexible Scheduling

We understand your time is valuable. Our training program is designed with flexible scheduling, so you can balance your flying lessons with other commitments—perfect for students, professionals, and anyone with a busy lifestyle.

In-House Maintenance

Our planes are meticulously maintained by our in-house experts, ensuring you always fly in the safest, most reliable aircraft.
