Nick Stone
Darwin Project

Dear Nick,

This is a letter of intent to broker the sale of finished goods produced by Project Darwin to respective clients of SC Industrial. Our intent is to broker under the following terms, but not limited to the following.

SC Industrial will not take financial ownership of any finished products at any time. The price for goods sold will be established by Project Darwin. SC Industrial will be paid based on brokerage service fee. SC industrial may also supply transportation services if needed, not limited to shipments placed by SC Industrial. Please contact Avery Schatz for any transportation questions or quotes.

This letter is not an official agreement between SC Industrial and Project Darwin, all conditions are subject to change upon further negotiation. This letter is primarily to indicate intent to offer transportation solutions and broker the sale of goods.

We look forward to discussing more and working with you as we move forward.

Tyler Coleman, Avery Schatz
