*BB's*

*BB's Home Cooking first opened its doors in March 2005, starting out in a quaint, 32-seat converted house built (we believe) in the early 1900s. The residents of Georgetown, Round Rock, and surrounding TX areas have provided great support over the years, allowing us the opportunity to move to bigger locations in January 2009 and then to the current location in January 2018 at The Summit at Rivery Park. BB's was named after the owners' mothers - Bernie and Betty - giving tribute to the family matriarchs who have now both passed on, but whose legacies still live on.*
