Dead Period from July 5th at 12:01 am (MST) and July 11th at 8:00 am (MST)

- This is the period designed to offer all parties a "week of rest".
- The RMR will not directly sanction clubs that do offer activities during the dead period, but we do encourage clubs to respect this valuable pause in our annual calendar to allow coaches, parents, and players a break.
- The RMR does not attempt to limit the scope or method of pre-season activities other than to ask that activities during the dead period be minimized, and that the Tryout period be respected.
