

Lincoln County Junior Livestock Exhibition Rules

To meet restrictions on public gatherings and to be able to insure a means for the youth of Lincoln County raising 4-H and FFA livestock projects to be able to complete their projects through exhibition, the LCFA has implemented a few changes to help ease public gathering issues, especially indoors. Open and Youth indoor project exhibition has been canceled for 2020. The Lincoln County Cooperative Extension Service may provide a venue for the youth to exhibit at a later date and youth should contact or follow them on social media for further information.

Due to the unknown status of Covid-19 restrictions and guidelines of the State of New Mexico for the week of August 2-8, the LCFA retains the right to make changes needed to further comply with public health orders, however it is our mission in 2020 to provide a suitable venue for our youth to exhibit their livestock. Please know that we are committed to our youth and any changes or adaptation from our usual fair is only to insure that the youth of Lincoln County will have a venue, means and opportunity to exhibit their livestock safely.
