How Does Tend Give Back to the Cancer Community? Introducing.... Christopher's Haven!

WE HAVE PLEDGED TO DONATE 20 CARE PACKAGES IN 2023!

The Christopher's Haven Experience

"Christopher's Haven is a 501(c)(3) organization founded in Boston, Massachusetts with a mission to operate a supportive community consisting of temporary apartments and community recreation area for families of children being treated for cancer in nearby Boston hospitals.

Over the last twenty plus years Christopher's Haven has grown tremendously thanks to the generosity and dedication of our donors. Every penny donated to Christopher's Haven directly impacts a family affected by pediatric cancer and displacement from their homes."
