

CUSTOMER NOTICE

Please be aware that due to all the recent increases from our government on Employers N.I. Contributions, National Minimum Wage increases, and increases from our food and drink suppliers as well as utility increases, we have had no alternative but to pass these increases on.

We hope you can understand the position we are in and have no alternative but to do this to sustain our business and continue to allow us to give you the best possible service and experience when you visit our establishments.

Please bear with us until we receive our new and exciting menus with updated pricing as they are still at the printers. You can double-check with our friendly staff if you would like to know the new price on our current menus.

Thanks for your understanding
