

Directions to Luana Inn from Kona Airport

From the Kona Airport (KOA), turn right onto the Queen Kaahumanu Hwy (Hwy 19). Follow the Highway, and it will transition into the Māmālahoa Hwy (Hwy 11). Follow the Hwy south for approximately 20 miles. You will pass through Kailua Kona and head uphill into South Kona. As you approach Napo'opo'o Road, you will see a small sign for Kealakekua Bay on your right and a Shell gas station on your left. You will come to a four-way intersection with a stoplight. Go straight onto Napo'opo'o Road.

Please ignore the addresses at the top portion of the road (and your GPS). The addresses are indexed to their north-south location, and since the road goes south and then north again, they overlap.

Luana Inn is on the lower part of Napo'opo'o Road, approximately 3.5 miles down from the top. Follow the road until you reach a stop sign. Take a right and continue down Napo'opo'o, past the big coffee mill on the right (**Kona Pacific Farmer's Co-op**). Approximately ¼ mile past the coffee mill, you will see a large white stucco fence with our sign. There is a parking lot on the top and to the right.
