Art Director
310-383-9773

Objective:

As the world changes so does the skill sets for our industry. I am part of that new wave of art and film. I welcome the chance to share my skill set with your company. I have worked in the industry for over 10 years now. I have been in Local 800 since 2015 as an Art Director. I am comfortable taking charge of my department and confident in my crews, connections involving set work.
