

# PRAYER GUIDE 24-7 PRAYER MOVEMENT

JANUARY – MARCH, 2021

## PRAY FOR OUR NATION

### From the Billy Graham Evangelistic Association:

Franklin Graham calls for prayer following Capital chaos:

Per Franklin Graham Jan 6<sup>th</sup>, 2021: “I am deeply saddened by what took place in our nation’s capital today. Our country is in trouble. We need God’s healing and we need God’s help. Pray for peace and the protection of our nation. Let’s come together—on our knees.”

### **Here’s how you can pray for our nation:**

- For the safety of its leaders, law enforcement, all in Washington, D.C., and around the country
- For peace and unity nationwide
- Trust in God for strength, restoration and hope for the future.

**“Trust in him at all times, O people; pour out your heart before him; God is a refuge for us.”**

**—Psalm 62:8, ESV**

### **Here’s how else you can pray for our nation:**

- Pray for our new President Joe Biden and Vice-President Kamala Harris and the administration for God’s wisdom.
- To have courageous conversations concerning racial issues and injustice to bring greater unity and reconciliation.
- For peaceful protests and protection for our country
- For America to turn back to God in these troubling times.

## CITY & GOVERNMENT

### Chief Hwang's Message: (Jan 7, 2021)

We want to thank you and your congregation and other churches for the prayers that watch over and lift up police officers here in Federal Way, as well as continued support and prayers for our entire community.

It has been a challenging year! Our community, along with the rest of our nation and the world, continues to experience the coronavirus pandemic, bringing its own inherent set of health and economic crises. In regards to police, the number of police officers who have died in the line of duty in 2020 has jumped by nearly 60% compared to last year as the ongoing spread of the coronavirus continues to take its toll on police officers. In 2020, a total of 210 total death – a 58% increase from the 133 it recorded in 2019. It has been one of the most challenging and deadliest years for the police profession.

Another serious issue coming out of this pandemic is the increase in gun violence in our country. America has experienced the largest single one-year increase in homicides since keeping such records. Homicides in metropolitan cities saw an increase of 37% in the first nine months of the year. The Seattle area is no exception with gun violence in King County also being sharply up for the first nine-months of this year, with a **58% increase** in the number of fatal shooting victims and a 34% increase in the number of non-fatal shooting victims. Of the 256 shooting victims from 2020, 90% were male; and 41% were under the age of 25.

To meet the challenges that lie ahead of us, we must continue to ask God for added wisdom and guidance, as we know that there are no

burdens too difficult and nothing is impossible with God. We want to thank you and many others who are continually praying for our officers and professional staff for their safety and well-being.

### **Prayer Requests:**

1. Pray for those on the frontline, especially our medical professionals who are treating patients who are infected.
2. Pray for all of our brave first responders, police and fire, who are working tirelessly to ensure the health and safety of our communities.
3. Pray for all those affected by the virus, that they feel the presence of the Lord's protection and love.
4. Pray specifically for a safe community and reduction in crime, particularly for the decrease of gun violence in our region involving young men.
5. Pray for families – a high percentage of violent individuals grow up in abusive, neglectful households, with lack of positive role models.
6. Pray for Mayor Ferrell, Council President Honda, the entire Council for wisdom and courage to lead in these challenging times.

As always, thank you for your prayers and support.

Faithfully,

Andy J. Hwang  
Chief of Police  
Federal Way Police Department
