The AMERICAN SCOTTISH FOUNDATION

MISSION: The mission of The American-Scottish Foundation®, an international not-for-profit organization, is to establish links and strengthen ties between Scotland and the United States, through the pursuit of contemporary social, cultural, educational, and business activities.

The mission remains as relevant today as when ASF was founded in 1956 by Lord Malcolm Douglas-Hamilton - to champion the extraordinary relationship between the peoples of Scotland and the United States - a bridge between the two great countries - seeking to strengthen & support the future of the Scottish American diaspora, and its legacy.

The purposes of The American-Scottish Foundation, Inc. are as follows: to encourage Americans of Scottish descent, Scots living both in the United States and Scotland, and all others friendly to Scotland and the Scottish people, to engage in activities which will create a closer relationship between the American and Scottish people, through the pursuit of contemporary social, cultural, educational, philanthropic, and economic interests and activities.
