Stephen Patrick gave a presentation on "**Mexican Iconography on Their Paper Money**" followed by a question-and-answer session at our second meeting. His presentation was informative as he explained a bit about each of the individuals pictured on the currency and related a bit about his travels throughout Mexico. Citrus County Coin Club- meeting of April 1st started at 6:30 pm. The meeting opened with the pledge and a moment of silence. President Bandino greeted the members & guests. Seems like every meeting we get a new guest or two. We had our meeting at the Citrus Chamber of Commerce because of the troop activity at the armory where we usually have it. But starting next month, we will have a new venue to meet at, the New Life church in Crystal River. Thanks to member David Liddell. We had 29 members and 2 guests of which one joined the club. We had our business reports, and a presentation on Fugio cents by David Liddell and Educational chairman Pat Apel. The presentation was awesome. David gave away a few prizes for correct answers to some of his questions. The attendance prize was won by Joseph Colburn one of our newest members. we then had a 50/50 drawing. Some of us watched the Artemis launch from the parking lot before the meeting. The meeting closed at 8:30 pm. And a few members stayed afterwards to put the tables and chairs back. Special thanks to members Cathryn & Gary Melby for coming early to set the room up. Which, by the they do each month. I might like to add my own observation, the coin hobby lacks a few things, little to no youth members, volunteerism and participation. Our club has participation and volunteerism, bur getting the kids to come and then stay in the club. Question are we not making it interesting enough?
