

COVID-19 RECOGNITION PROGRAM

SALVATORE'S RESTAURANT

is reducing the spread of COVID-19!

Our organization takes community safety seriously. In an effort to slow the spread of COVID-19, we have thoughtfully:

- Completed and posted the Social Distancing Protocol
- Posted Safety Signage that is viewable at each entrance
- Identified a coordinator to focus on staff and customer safety
- Registered to receive up-to-date information on local safety measures and protocols from the Jackson County Health Department
