

Screenwriter's Workshop

- **Length: 8 weeks**
- **Meeting Times: 30-90mins./week Depending on where you are with your project**
- **Location: Zoom**
- **Cost: \$600**

This workshop is perfect to jumpstart your path towards being a professional and working screenwriter!

Sessions 1-3 will be 90-minute interactive lectures that employ writing activities completed during the session by you in order to help establish a foundation for expanding your knowledge in the entertainment and screenwriting industry.

Sessions 4-6 will be 60-minutes in length where we will expand on the knowledge gained from the first three weeks and then add specifications of the field with various writing prompts.

Sessions 7-8 will see you able to take what you've learned from weeks 1-6 and apply your knowledge to a project of your own creation. We'll meet for 30minutes for each of the sessions to review content, formatting and provide constructive feedback which will prepare you to move forward into writing with purpose towards completion of your project.

After the Workshop...

We do offer a mentoring service for \$100/month upon successful completion of the workshop so that we can continue to be available for general guidance via email and two 30-minute sessions per month.

Referral Program

Each referral that successfully completes the workshop entitles you to a free month of mentoring.
