

Camp Sertoma of S.C.

In recent years the advances in technology we have experienced have been nothing short of miraculous. Our phones, our computers, our televisions – scores of devices we use all of the time – have become capable of things that would have astonished us just a few short years ago. Moreover, we have access to purchasing options that make shopping much more convenient for many of us. Companies such as Amazon have offered those who utilize their services conveniences in processing orders and privileges of membership that reduce the costs of purchasing and shipping. Moreover, some companies have now pledged to share a portion of the income from our purchases with charitable organizations we support. Amazon offers such an option called “Amazon Smile.” When Amazon members sign up for this option, the company will donate 0.5% of your eligible purchases to the charity of your choice with no cost to the member.

By choosing this option and selecting Camp Sertoma of South Carolina as your designated charity you will be helping to ensure that Sertoma clubs throughout the state can continue sponsoring children to our fantastic camp. You can find out more information about the Amazon Smile program by clicking this [**LINK**](#) or scan the QR code on the left side below.

When you have reviewed the information and are ready to sign up to begin supporting Camp Sertoma of South Carolina in this way, you can click on this [**Sign Up Link**](#) or scan the QR Code to the right.

That’s all there is to it!! Even though the amount seems small, with all of us working together we can make a huge difference!! Thank you for helping us provide SERvice TO MAnkind – and – especially, helping us bring joy and excitement to the children of our state.

Sincerely

Dale Treash, Chairman
Camp Sertoma of S.C.
