

WE DID IT!!!

Friends of Camp Sertoma,

Camp Sertoma 2021 is finished! I can't believe it. So much work and planning from so many people. And so many beautiful moments of camp magic once again adorning our wonderful camp. We have also had the unique experience of having **children and grandchildren of Sertomans** attend camp this year and I hope you've been privileged to hear about their experience.

Activities for NEXT summer have already begun (really!), including our presentation of **Camp Sertoma in Norfolk, Virginia** at our **REGIONAL CONVENTION**. The convention is September 9-11 and will host, among many other activities, our Camp Sertoma of South Carolina annual meeting, where you can HEAR a little of camp, SEE a little of camp, FEEL a little of camp. You will also have the opportunity to give you input about your club's Camp Sertoma experience (we always want to celebrate the awesome stuff and work to improve anything that was less than awesome) and vote for members of your board of directors. The weekend will also bring our very own Darryl Ching, who will be talking about his eye-witness account of working with the Joint Chiefs of Staff inside the Pentagon on 9/11/2001, as we observe the 20th anniversary of 9/11.

Camp Sertoma Golf Tournament on Monday, October 11 at Woodside Plantation in Aiken. Our fellow Sertomans and partners with Camp Sertoma, the mighty Aiken Sertoma Club, have a tremendous event planned for us! BUT WE HAVE A ROLE TO PLAY! Each club in South Carolina is asked to "show up" in some way: become a hole sponsor, bring a team, donate items for door prizes/silent auction, recruit donors and teams.

Whether it's fund-raising in your club for camp, recruiting and transporting campers, attending our convention, or working to make our state-wide Camp Sertoma Golf Tournament great...all of it...every bit...is a labor of love for South Carolina Sertomans who have heard THE BELL, heard our campers, and gotten a little peek inside our gates. THANK YOU to each and every one of you!!! We love and appreciate you (because you make camp happen!).

Many thanks to our board, your club's Camp Sertoma ambassadors, and the Sertomans across our beautiful state that have worked so hard to MAKE CAMP HAPPEN!

Our new boat dock made its splash at Camp Sertoma at the closing friendship circle of Camp Sertoma 2021. God marked the occasion with His signature.

For the first time, our campers went home with their very own Camp Sertoma flag, just like the one that flies over Camp Sertoma.

Ask your Camp Sertoma Trustee if you don't yet have some for your club members! You can also get a big flag for your club!

Just a few of the folks working hard to make our
Camp Sertoma Golf Tournament GREAT...
If you've been to this event, you know that is is
top notch, top tier, and top shelf. They make it
look easy, but hours and hours (and hours and
hours) of work go into making this a incredibly
fun day for our participants and an incredibly
beneficial day for Camp Sertoma!
