LAUGHING AND ENJOYING
THE AMAZING OUTDOOR LAB
WITH AMAZING SERTOMANS
FROM AROUND OUR
BEAUTIFUL STATE GETTING
OUR AMAZING CAMP READY
FOR OUR AMAZING KIDS.

Some 60 Sertoma volunteers and friends of the Outdoor Lab gathered at camp on May 20 and 21 to prepare for campers to arrive in June. Those Sertoma men, women and children accomplished a tremendous amount of work in just 1 1/2 days. Nearly 300 hours of washing boats, waxing the waterslide, scrubbing pool chairs, power washing the pool deck, cleaning out the pool house, a bit of painting, getting cabins and the waterfront ready, throwing mulch, trimming hedges and brightening up and freshening our treasured camper rocks in our rock garden to be more precise.

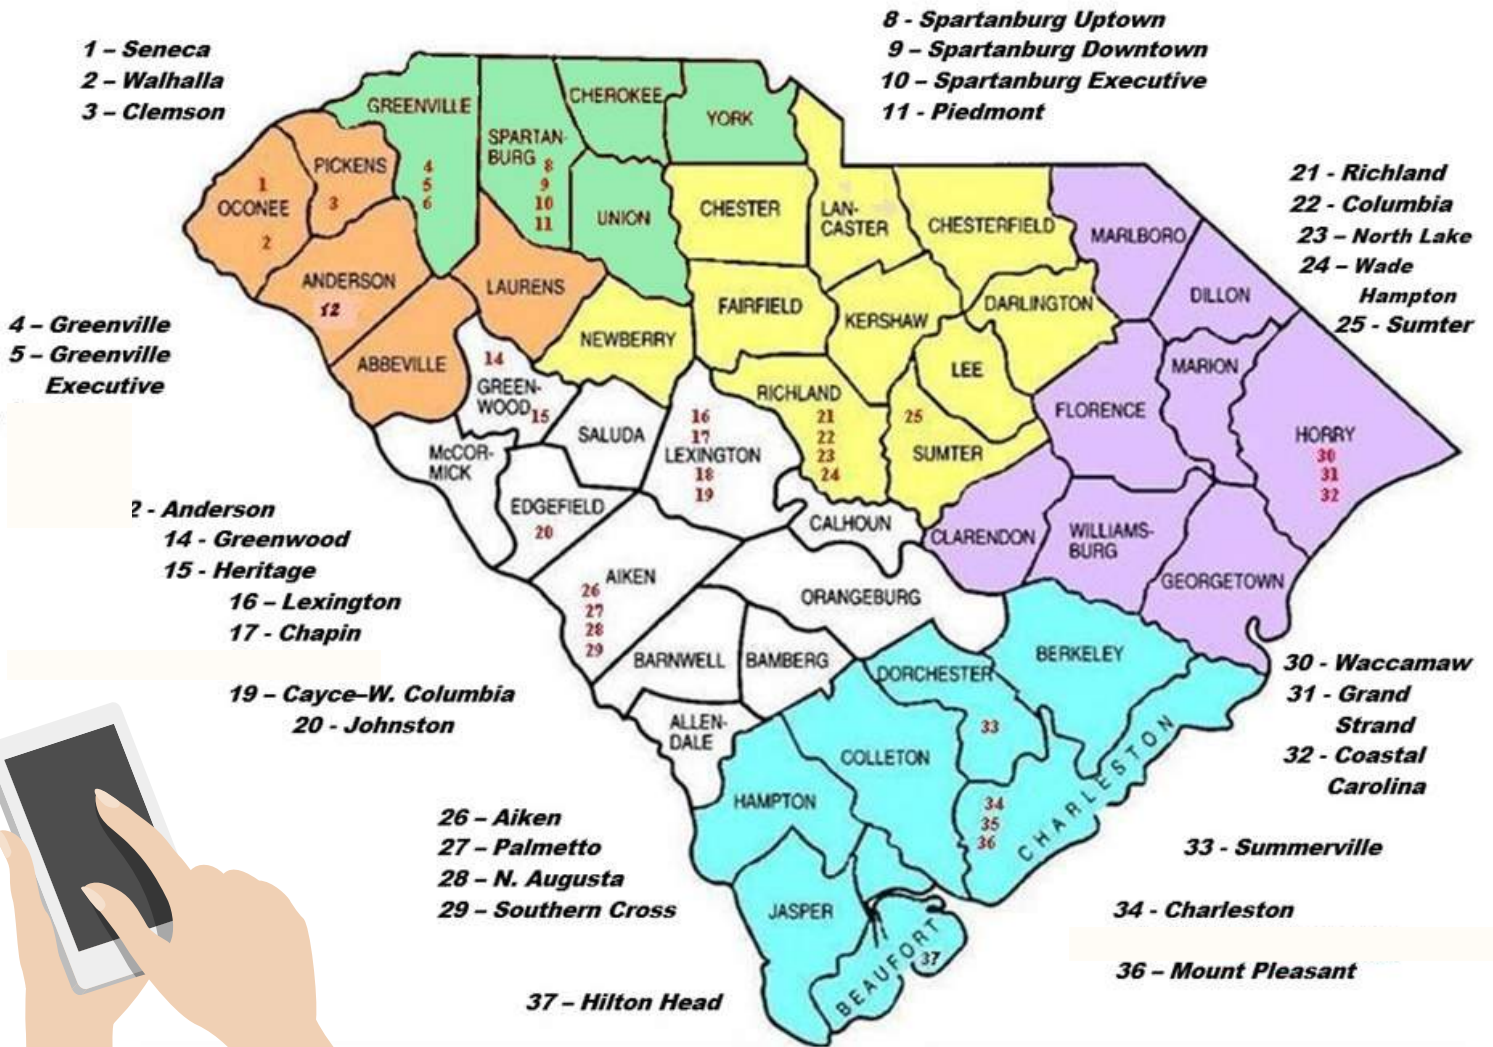

The weekend also provided opportunities for Sertomans and their families to gather for fellowship at a cookout held on Friday evening. For some, it was the first time they had visited the Outdoor Lab. The work weekend and social provided networking opportunities for club members and helped to foster a sense of community. It served as a tremendous reminder that we are better together and that together we can touch the future.

The Clemson Sertoma Club hopes to make co-hosting the Work Weekend and Cookout an annual event.
