

**A WAY TO “WARM YOUR HEART”
– AND –
A CAMPER AT THE SAME TIME**

Several years ago, a former camper decided to undertake a special project to help our campers remember their experience at Camp Sertoma of S.C. Through her efforts, special "Camp Sertoma Blankets" were designed and made to be given to each child as a reminder of their time here. Now, Sertoma Clubs are encouraged to provide funds for blankets for the children they are sponsoring when they submit payment for camper fees. They have done a wonderful job with this wonderful reminder but the Camp Sertoma of S.C. Board of Trustees has made the commitment to seeing that every child attending camp receives one of these special blankets. Our hope is that while our kids are warmed by the blankets, their hearts will be warmed by memories of new friends, new experiences and the love of the counselors, leaders and Sertomans they met along the way.

If you would like to provide a blanket for a camper you can support the effort through your local Sertoma Club – or – you can donate \$10.00 to the:

Your support for Camp Sertoma is deeply appreciated and ensures that the magic of this wonderful place will live on in the hearts of our kids for years to come.

*Sincerely,
The Camp Sertoma Board of Trustees*
