NORTH AUGUSTA SEROMA CLUB SENDS ABOUT A DOZEN CAMPERS EVERY YEAR. DENNIS IS LOOKING FORWARD TO GETTING TO KNOW ALL ABOUT CAMP AND WHATEVER IS INVOLVED IN MAKING SURE IT CONTINUES TO BE A GREAT PLACE FOR KIDS IN SOUTH CAROLINA.

Ruth Anne Hickerson

Ruth Anne Hickerson has been a member of the Uptown Sertoma Club of Spartanburg since 1996 holding various board positions, currently as Director of Awards. She also is quite active with Uptown's major fundraiser, Auction for a Cause. She states that "Sertoma is an important part of my life. It is a wonderful way to give back to the community, and I have met some of my dearest friends in the club."

Ruth Anne is happy to be rejoining the Camp Sertoma board. Camp Gravatt in Aiken has been an important part of her life, first as a camper, then on staff, and eventually, serving on its board. She knows what a major role a camp can play in a child's life and is glad that Sertomans across the state can join together to offer this opportunity to children in South Carolina.

Ruth Anne is married to Rob with two grown sons, Will and Alex. She has a BS in Business Administration and an MBA from UNC-Chapel Hill. Ruth Anne is the president and co-owner of Powers Solutions, a print and ad specialty distributorship.

Mark Hendrick

Mark Hendrick is the Director of Governmental Affairs for the South Carolina Department of Commerce. While at Clemson, Mark became aware of camp as he worked on staff with the Outdoor Laboratory and also participated in service projects as President of Pi Kappa Phi Fraternity. He has been a member of the Lexington Sertoma Club for ten years and has served as the Camp Sertoma representative for nearly the entire time. He joined the Camp Sertoma Board as an at-large Trustee in 2019. Mark is originally from Conway but now lives in Chapin with his wife Ali and three young sons. Having the opportunity to personally interact with approximately thirty campers and their families over the years has been a rewarding experience and he looks forward to seeing camp flourish for many more years.

Eric Lundblade

Eric is a member of the Clemson Sertoma Club and has served on our board several years. He actively supports and communicates with the clubs in the Upstate West area and has made some important recommendations for us regarding the stewardship of the funds that we use to serve our campers. Eric is a Clemson graduate and serve the Clemson area as a financial advisor. He and his wife, Shealy, have two beautiful children. Charlie and Mary Ellis are on board with the Clemson Tigers and Camp Sertoma!

Steve Etheredge

Steve has been a member of Richland Sertoma since 1984 with service in all offices and is currently director, VP for Sponsorships, and golf tournament chair. He served as district governor of the Wade Hampton District for 3 years (2 years as Distinguished Governor), International Director for the Carolina West Region, and FDR and Regional Coordinator for the Sertoma Foundation. He is an active member of Forest Lake Presbyterian Church where he has served as Elder, chairman of the Finance and Endowment committees, and coordinator for the men's weekly prayer breakfast. Steve has been active with Camp Sertoma since attending the groundbreaking for Project Splash on Father's Day in June, 1986 and has served numerous terms on the Camp Sertoma board.

Hannah Casey

Hannah began her ties with camp in the summer of 2006 when she worked her first summer. She then proceeded to work 10 full summers as a group counselor, camp out instructor, and head counselor; and has been involved with camp as a Sertoman and/or volunteer almost every summer since. If you've been bringing campers for a while, she's probably greeted you, clipboard in hand! Working at Camp Sertoma changed her career path, and she is now a Teacher of the Deaf for preschoolers in Charleston. She was formerly in the Olde Charlestowne club, and has now graciously been welcomed into the Hilton Head club. If you're from the lower coast, please feel free to reach out!

Jean Schwalbert

Jean learned about Sertoma from her husband Russ' active role in the Aiken Sertoma Club since 1980. Palmetto Sertoma Club was chartered in 2008 as an all women's club and she was excited to join. Jean has served as their president for the past several years. The club's focus has been stepping up whenever a need arises. This includes interaction with women in a shelter, delivering meals, supporting two Serteen clubs and sending as many children to Camp Sertoma as our funds allow. Jean is a retired elementary school teacher and loves being with children, not just in teaching but introducing them and working side by side in community service. Since retirement, Jean has become a professional volunteer and is active in church work and other civic organizations. Her relaxation is painting with oils. She is looking forward to becoming more involved in our very special Camp Sertoma. Jean and Russ have been married for 56 + years and live by the family motto - "It is far better to wear out than to rust out."

Buzz Lewis

Buzz joined the Lexington SERTOMA Club in 2016. Since joining, he has served as Sgt-at-Arms, Chairman of the National Heritage Essay Contest Committee, and served on the Aiken Camp Sertoma Golf Committee. He has been Communication Specialist for SERTOMA National for 3 consecutive years and is currently serving as Lexington Sertoma Club President. In addition, he is now serving as Atlantic Coast Region Director, which provides him with the honor of being a board member for Camp Sertoma. From Buzz, "Am I proud to be a SERTOMAN? You bet."
