Thank you to our donor – Jessie Bicknell – for her generous donation of a **TWO-NIGHT STAY** at **The FALLEN LARCH** on Silver Star Mountain.

You can't beat this location for a summer get-away on the Mountain.

The Fallen Larch is in the much desired Cabin Colony on Silver Star Mountain. Originally built in the 1960's, The Fallen Larch has been beautifully renovated but still holds all the older, cabin colony charm.

The Fallen Larch is a 2 bedroom + loft / 2 bathroom cabin with two living rooms, a well-appointed kitchen, 8 person hot tub and a complete laundry closet. One of the best original, but beautifully updated 1960s Cabin Colony chalets on the mountain, it is just a short stroll along the laneway to the magical Silver Star Village or the Gondola, Comet or Alpine Meadow chair. Hiking and bike trails are also a short 5-10 minute walk away. Large backyard to enjoy the mountain air and extended daylight in the summertime. Fantastic spot for everyone.
