The Silver Creek Board would like to welcome all new residents that have moved in during the past few months. We hope you are enjoying your new home and new neighbors. We would like to remind you that this is a deed restricted community. You should have received a copy of the deed restrictions at your closing. However, if you did not, please download a copy from our neighborhood website **silvercreeklouisville.com**. Our website is steadily updated with community related information.

BOARD MEMBERS NEEDED

A red square sign with a white border and a string at the top, hanging from a chain. The text "HELP WANTED" is written in white capital letters on a red background.

We have two open positions on the Silver Creek Homeowners Association Board. This is the result of two members stepping down after serving for 2 years when their terms expired at the end of July.

You could be part of this team that make decisions that impact the safety, well-being and future of Silver Creek Subdivision. Many of the questions and requests addressed to the HOA Board are reviewed and responded by email. The monthly meeting is currently held virtually and is usually an hour or less. As a reminder KY Realty, is contracted by the HOA, and handles most of the daily administrative and maintenance issues. Help bring creativity and inclusiveness to our community.

If you have questions or are interested in joining the Silver Creek board of directors, please contact us at silvercreeklouisville@gmail.com

PROPERTY CHANGE REQUEST FORM

As part of our initiative to streamline neighborhood communication, we have introduced a new property change request form. The form was created to address resident's questions regarding what is required for construction approval. It also simplifies the review process for the Board. Please take a moment to become familiar with the form. You can download this and other community related documents from our neighborhood website silvercreeklouisville.com.

COMMUNITY SAFETY

Sergeant Joseph Seamon of the LMPD is our neighborhood patrolling officer. As most residents know by now, there has been a spree of car break-ins in some of our neighboring communities. Sergeant Seamon warns residents not to leave cars running and unlocked in the driveway. Leaving garage doors open throughout the night is an invitation for thieves. Please lock your car doors and close your garage doors at night. Do not let packages set outside too long. Be weary of thieves when having packages delivered.

CHRISTMAS DECORATING CONTEST

Based on the success of our past competitions, we are having our Silver Creek annual Christmas Decoration Contest again this year. This year, recognition will be given for the following: 1st, 2nd and 3rd place winners. In addition there will be recognition for the house with the * BEST USE OF LIGHTS * and * MOST FESTIVE* . Judging will tentatively take place by Sunday, December 20th. This year's winners will be featured on the neighborhood website.

SILVER CREEK TRICK OR TREATING

Celebrate Halloween Safely

This guidance is designed to help curb the spread of COVID-19. It will be reassessed and updated as the situation evolves and we learn more in the weeks leading up to Halloween.

At All Events / Activities

Wear a face covering.

Sanitize hands often.

Maintain six feet distance from others.

Recommended Activities: Trick-or-Treat the Safe Way

If trick-or-treating is permitted in your community, please trick-or-treat the safe way.

- Place individually wrapped candy outside on the porch, driveway, or table.
- Maintain a social distance of at least 6 feet from anyone not within your household.
- Always wear a face covering. Halloween masks DO NOT count as a face covering.
- Clean hands before and after touching the wrapped candy.
- Trick-or-treat in family groups and don't congregate in large groups.
- Trick-or-treat in your own neighborhood. Do not travel to other neighborhoods.
- Use hand sanitizer often, especially after contacting frequently-touched surfaces and before eating anything.

Consider safe alternatives:

- Carve or decorate pumpkins for display
- Decorate your home or living space
- Have a virtual Halloween costume contest
- Watch Halloween movies with the people you live with
- Have a scavenger hunt for Halloween treats in and around your home
- Drive-by costume or car decorating contest with judges who are social distancing

AVOID high-risk activities:

- Traditional door-to-door trick-or-treating
- Trunk-or-treat events with large groups in parking lots
- Costume parties
- Haunted houses
- Hayrides or tractor rides
- Traveling to fall festivals in neighboring towns
- Any event with large crowds

REMINDER

- Stay home if you are sick
- If your child is at greater risk of complications from COVID-19, use extra caution and avoid moderate and high-risk activities
- Consider the people in your household who may be at risk of greater complications from COVID-19
- Focus on keeping Halloween fun and safe for children by avoiding adult activities that further increase the risk of COVID-19 transmission

This year, Silver Creek is asking residents to Trick-or-Treat the safe way, as outlined in the guidelines above. Although this is an outdoor activity, we do encourage wearing a mask when social distancing can not be obtained and washing/sanitizing your hands often.
