## MOL SPORTS FILM PRODUCTION

by Israel Aladesuru

MOL SPORTS CEO Damola Oseni profiles the Uptown is where Chicago's rich history and international diversity intersect. The neighborhood is known for its vibrant music scene, vintage architecture, and amazing global cuisine. Throughout the years we've seen great talents in sports come out of the neighborhood with talents like Talen Horton Tucker and Bobby Dixon. This documentary is an opportunity to gain insight behind the scenes here at MOL SPORTS and exploring the improbable and unique bond the neighborhood has and the connection it shares with current and former athletes from the neighborhood.

## SPECIAL ANNOUNCEMENT

MOL SPORTS is excited to announce that we will be pairing up with Syndicate Designs to release a brand new clothing line that will provide athletes and supporters a cool & trendy way to support MOL SPORTS. Congratulations to Latif Adeboyejo on his new position on the NIU media team.
