CAIRN STONE HIKERS ROCK AT DEVIL'S LAKE!

DEVIL'S LAKE: We had 29 trekkers hit the beautiful but very challenging trails of Devil's Lake State Park on a beautiful day. 15 of these hikers punched their ticket for the final TEST HIKE at Manistee by collecting all four day pack tags. The weather ranged from 68° to 78° with some humidity but nice breezes made it a good day.

Special thanks go to Kathy Flynn for a great course setup and to Angie Yugo, Debbie Beckman, Jay and Kathy Crouch, and Don McKay, Doug Giesler, and Susan Draffen for special favors. Also special thanks to Rob Riley, Larry Lies, Jay Crouch and Jim Brandner for their help in the day pack check.

I appreciate all those who did contribute to the Jog Pot. It was very much needed.

JORDAN RIVER VALLEY: Our next hike will be our TEST HIKE at Jordan River Valley this coming **Saturday, June 19. Please carefully read the updated hike memo that is attached!** There are some important changes to note. The current weather forecast looks great with a low of 59° and a high of 68°. I hope it holds.

JORDAN RIVER RIDE SHARE: Thom is conducting a search for anyone interested in sharing a ride to this classic TEST HIKE. Please contact him at: Thom@CairnStoneTours.com
