

SWISS VALLEY HIKERS DID A HILL OF A JOB!

SWISS VALLEY: Great training gains were reaped on this challenging course on a beautiful day! Everyone's attitude was great on our return to Swiss Valley after a layoff last year. A very special thanks to Thom Janssen who did a great job of setting up this difficult course with some real trail challenges. Also a big thank you to Jamie Wiseman Stafne and Missy Wiseman Steil for their wonderful hospitality!
