We will celebrate four wonderful trips to Scotland. Following a social gathering we will enjoy a wonderful catered meal of homemade Shepard's Pie, salad, and luscious strawberry shortcake prepared by Scotland vets Zana Klomes and Rozanne Scherr and their Elks crew.

Following the dinner Thom will take us down memory lane with a musical slide show of our Scotland hiking adventures. Really cool long sleeve tech shirts will be distributed at check in. There is no registration fee but the Jog Pot will be available to help absorb the costs.

NOTE: For those who cannot attend, shirts will be available to pickup at training hikes after the party. Or mail a large self addressed Priority Mail prepaid envelope to me along with the form below. (Shirts available after July 13)
