CAIRN STONE HIKERS ENJOY BEAUTIFUL HIKE AT TREE-MENDUS!

TREE-MENDUS: We had a large turnout for this beautiful Fall day to hike through the orchards. The \$5 peck bags of apples sold out and we had a good rehydration turnout at *Indian Lake Pub*.

LOVE CREEK: Our next hike will be at *Love Creek County Park* on **Saturday, November 8** starting with an update on the 2026 schedule at **9:00AM**. At 9:15AM hikes will start ranging from 5.0 to 16.0 miles on Love Creek trails course (5.0) and the beautiful south course (6.0). There was a lot of storm damage this year but all the trails are now in good shape as is the Prillowitz Trail on the south course. Please pay the Jog Pot in the Nature Center where modern restrooms are available.

DIRECTIONS: 9292 Huckleberry Road, Berrien Center, MI [Map link in email]
